MARRIED.

Mr. Arthur Tisdale and Miss Alma Cox were married at the Bartlette Street Baptist parsonage at 8:30 o'clock Sunday night by Rev. F. M. Satterwhite.

DEATH.

Mr. A. M. Reese, of Boykin, died Wednesday morning after a long illness. He had a severe attack of typhoid fever in the early spring and never entirely recovered from it. Mr. Reese had been railroad agent at Boykin's for many years and was popular in that community.

Mr. Marion Sanders, who went to Tucson, Arizona, on March 7th., died in that city at noon Sunday. Mr. H. M. Sanders received a telegram Sunday night informing him of his brother's death. The funeral was held in Tucson last Monday and the body was interred there. The deceased was the youngest son of the late Col. Marion Sanders and was 25 years old.

Mrs. Henry B. Richardson died at her family home at Panola, Clarendon county, Sunday morning after a long illness, aged 62 years. She was the wife of Maj. Henry B. Richardson and the daughter of the late Gov. John L. Manning. Her mother was a sister of the late Governor Wade Hampton. Her husband, four sons and two daughters survive her.

Capt. A. E. Hutchinson, formerly of Rock Hill died Monday at the summer home of Dr. George W. Dick, his son-in-law, at Providence Springs. The body will be taken to Rock Hill this morning where the funeral services will be held in the afternoon. Capt. Hutchinson was one of the small group of progressive, energetic and far-sighted business men who built Rock Hill. They found it an unimportant village and made of it one of the most prosperous and best known cities of the State, a center of manufacturing industry, of education and of wealth. He was one of the pioneer cotton mill builders and managers and assisted in carrying South Carolina to the front as a cotton manufacturing state. By his energy and business ability he acquired more than a competency, but a few years ago during the business depression and consequent financial stringency which crippled the cotton mills more than almost any branch of industry he had the accumulation of a life time swept away as he surrendered practically all of his property to pay the debts of the mills of which he was president, and those who were best acquainted with the circumstances say that no act of his long life was more to his honor and credit than the course he pursued in this financial disaster. Though he lost his fortune the mills that he was instrumental in building still stand as an industrial monument to his memory and the work that he did to make Rock Hill what it is today also remains to testify to his ability and public spirit.

Mr. Thomas P. Cuttino died at 11 o'clock Monday morning in Charlotte, N. C., where he went several weeks ago for the benefit of his health. The funeral was held Tuesday at Paxville. Mr. Cuttino was the brother of Mr. C. L. Cuttino, of this city, and was 24 years old.

- Mr. J. M. Spann with Miss Linnie McLaurin.
- Dr. W. B. Alford with Miss Ruth McLaurin.
- Mr. J. L. MacCallum with Miss Isabelle McLaurin.
- Mr. E. J. Cunningham with Miss Archbelle.
- Mr. L. E. McCallum with Miss Neelie McLaurin.

CAUGHT IN THE BELTING.

Lawson Anderson Loses His Leg as Result of Accident at Sumter Lumber Co.'s Mill

From the Daily Item June 14.

Lawson Anderson, colored, was seriously injured today at the mill of the Sumter Lumber Co. He was caught in the belt of one of the big planing machines and one leg was so badly crushed that it is thought it will be necessary to amputate the limb to save his life. He was taken at once to the Baker Infirmary and everything possible is being done for him. Anderson was an experienced mill hand and had been in the employ of the Sumter Lumber Co for a long time, consequently it is difficult to understand how he happened to get caught in the belt.

AS TO MAIL SERVICE.

For some time past Congressman Lever has been using his influence to secure a mail service between Sumter and Lucknow, S. C. Regarding this matter he has received the following from the postoffice department at Washington.

House of Representatives, Washington, June 13, 1905. Hon. A. F. Lever, M. C., Lexington, S. C.

Sir: Referring again to correspondence received from you by the General Superintendent of Railway Mail Service in reference to the necessity for a clerk to run between Sumter and Lucknow, S. C., he too, if possible, continue on to Florence, S. C., I would state that it does not seem possible to arrange so as to have this clerk run through to Florence, but an allowance of one clerk will be made between Sumter and Lucknow, and an appointment of this kind will be made as early in the coming fiscal year as practicable.

Very Respectfully, W. S. Shallenberger, Second Asst. Postmaster General.

SUMTER'S BAND

Is Appreciated Abroad as Well as at Home.

The correspondent of the News and Courier in sending an account of Union's Floral festival has the following to say of Prof. Schumacher and his band:

"Today has been the most important day of the week. Early this morning Prof. Schumacher's Band from Sumter played the national and popular airs to the enjoyment of the visitors. This band has been giving fine music through the whole festival season and Sumter is to be congratulated on being able to send out such a band."

Fire Thursday Night.

An alarm of fire was sent in from box 27 a little after 9 o'clock Friday night. The fire was out of the city limits, near Green Swamp, and the person who saw the blaze was under the impression that it was in the fire limits and sent in the alarm.

The house which was burned was the property of and occupied by Sam Green, colored. It was completely destroyed as well as most of his household goods. The fire, when discovered, was on the roof of the house about four feet from the chimney, and is supposed to have been caused by a spark falling on the roof.

Green had only \$200 insurance on the house and \$200 on the furniture, and he estimates his loss at about \$700.

From the Daily Item June 14.

The fire department was called out shortly after 11 o'clock last night to answer an alarm sent in from box thirty-six, on Kendrick street, where a cottage owned by Mr. J. D. Wilder and occupied by Mr. Fisher was found to be burning rapidly, the fire having gained considerable headway before the alarm was sent in. The flames were extinguished after hard work but the house was badly damaged, the entire roof and a portion of the upper part of the house being burned. The loss was covered by insurance.

The date fixed by the City Board of Education for the opening of the Graded Scholls is Sept. 18th instead of Sept. 12th.

The Fourth at Providence.

The annual Basket Picnic and All Day dance will be given at Providence Springs on July 4th next. Music by the Second Regiment band led by Prof. Schumacher. Admission to dance hall 50 cents. Ladies free. Special trains and excursion rates on the Northwestern railway. Schedules and rates announced later. Come and spend a pleasant day at this popular resort.

OBJECTIONS TO THE USE OF GLASSES

Sometimes people object to glasses, claiming that once put on they cannot see without them. This argument has no logical basis. If after putting on glasses the wearer finds it difficult to go without them, this simply proves that before he wore glasses he was forcing his eyes beyond the limit of safety, a practice which, if continued, is sure to affect the health and sight. Just think for a moment, if people derived no benefit from them, or if they were more bother to the wearer than the good they accomplish, do you think they would always use them? There will come a time when the eyes will call for help; they would not do so unless they really needed it. They ought then to be provided with glasses. The person who lets pride, even excusable pride, stand in the way of this help is doing his eyes and health injustice and is merely paving the way for future suffering and discomforts.
