BLIND TIGER FRACAS.

From The Daily Item, Nov. 7.
 Dispensary Constable Scarborough went to Mose James' store on Manning avenue this morning to make a search for contraband liquor. James attempted to prevent the search and made an assault on Mr. Scarborough, after cursing him and using violent language. The result was a knock-down and drag-out fracas in which Mr. Scarborough and James' daughter participated, the latter attempting to strike Mr. Scarborough with an axe. Mr. Scarborough received a slight wound on the side of the head, from which the blood flowed, and James was also more severely bruised on the side of the head. James and his daughter were arrested and committed to the guard house, but were soon released on bond. James has long been suspected of selling liquor, but evidence to convict has never been procurable.

MARRIAGES.

At Providence Baptist Church, Tindal, S. C., on Tuesday Nov. 6 at 8 o'clock, Miss Olga, daughter of Mr. T. E. Hodge, and Mr. C. M. Witherspoon were married, Rev. J. N. Tolar performing the ceremony. Mr. and Mrs. Witherspoon went to Charleston to spend the honeymoon.

Miss Sallie Ennett and Mr. J. Frank Jarman, of Wilmington, N. C., were married at the home of Mr. and Mrs. Chas. M. Gregg in this city at 5.30 o'clock Wednesday afternoon.

It was a very quiet wedding and was witnessed by only a few intimate friends and relatives of the young people to the marriage vow. The ceremony was by the bride's pastor, Rev. J. M. Wells, D. D., pastor of the First Presbyterian Church of Wilmington. The home was very prettily decorated with white and yellow chrysanthemums and the wedding is described as having been a very pretty one indeed. There were no attendants.

The bride wore a becoming brown traveling suit and carried bride's roses. A brief reception followed the wedding at which Mr. and Mrs. Jarman received the happiest congratulations of many friends. They left immediately on the 6:10 P. M. Atlantic Coast Line train for Wilmington.

The marriage of Miss Willena Cook to Mr. Ernest R. Eldridge, was solemnized in the First Baptist Church at 7.30 Wednesday night, Rev. Dr. C. C. Brown officiating. There were no attendants and the wedding was a quiet but very pretty one.

Invitations have been received in the city from Mr. and Mrs. M. J. O'Hagan, of Charleston, announcing the approaching marriage of their daughter, Mary to Mr. J. A. Schwerin, Jr., of Sumter, on the afternoon of Wednesday, November twenty-first, nineteen hundred and six, at six o'clock at the Pro-Cathedral, Charleston, S. C.

Cards are out announcing the approaching marriage of Mr. George Marion Ziegler and Miss Uleta Wells, on Wednesday afternoon, November twenty-one.

DEATH.

Sam'l R. Chandler, Jr, the 17 months old son of Mr. S. R. Chandler, died Saturday night after an illness of only a few days. The burial services which were held at the cemetery on Sunday afternoon, were attended by a large number of the sympathizing friends of the bereaved parents. The little boy was a strong, vigorous and bright child, and his sudden taking off was a great shock and a terrible affliction to his parents.

Schwartz Brothers advertise an all the week sale of household goods in addition to the regular Friday sale. Both are interesting to shoppers.

COURT PROCEEDINGS.

Dubose vs. A. C. L. Railroad Decided —Watts vs. A. C. L. Railroad.

From The Daily Item, Nov. 7.

Last night the jury in the case of Dubose vs. the A. C. L. Railroad left a sealed verdict with the clerk of the court. This morning the verdict was read in open court and was for the defendant. The counsel engaged were: L. D. Jennings, Esq., and D. D. Moise, Esq., for the plaintiff; Mark Reynolds, Esq., and P. A. Wilcox, Esq., for the defendant.

The trial of the case of Hampton Watts, vs. the A. C. L. Railroad is now occupying the time of the court. The plaintiff is suing for \$1,900 damages for personal injury alleged to have been sustained by being put off defendant's train after having paid the legal fare. L. D. Jennings, Esq., is for the plaintiff, and Mark Reynolds, Esq., and P. A. Wilcox, Esq., represent the defendant.

From The Daily Item, Nov. 8.

The trial of Hampton Watts vs. the A. C. L. Railroad was decided by the jury's verdict today in favor of the defendant company. The plaintiff, a negro, was suing to recover \$1,900 damages for an alleged injury sustained by being put off the defendant's train. The question of whether or no the plaintiff had paid the legal fare of 3 cents per mile was the main issue of the trial. The plaintiff was represented by L. D. Jennings, and Mark Reynolds and Messrs. Wilcox and Wilcox appeared for the defendant.

From The Daily Item, Nov. 9.

The cases of McBride vs. the Southern Railroad and Brohun vs. the Southern Railroad have occupied the time of the Court today. L. D. Jennings, Esq., represents the plaintiff, and Mr. Thompson, of the firm of Abney and Thompson, of Columbia, presented the cases for the defendant company. In the first case, the suit was brought to recover \$300.00 damages for destruction to woods by fire, caused by sparks from a locomotive engine. The verdict was \$3.00 for plaintiff.

The second cause of action is based on the same grounds, and damages to the extent of \$675.00 are claimed. The case has not yet gone to the jury.

The first ball to be given this season by the Sumter German Club will take place in the Armory Hall on Thanksgiving eve, Wednesday November 28th, from 10 until 3 o'clock. The membership roll of the club has not yet been entirely completed, but a committee has been appointed by the officers of the club to undertake in the first event, and in the interim the club organization will be entirely perfected.

The D. J. Chandler Cloth Company today advertise winter underwear—articles that are in everybody's thoughts if they are not already well supplied with an outfit of warm underwear.

Durant's Drug Store is in process of removal from the old stand on the east side of Main street to the new store on the Court House square, where one of the most handsomely appointed drug stores in the city is being fitted up.

Attention is invited to Joseph M. Chandler's advertisement today. He offers the most attractive and convincing argument to induce prospective purchasers to visit his store during the next ten days—viz: the lowest of low prices for the best makes of clothing. In addition to the inducement of low prices he will give a pair of Clapp's Fine Shoes to one purchaser of a suit. See him and he will tell you how to get the shoes free of cost.

Mr. I. C. Strouss was summoned to appear before Recorder Hurst Monday for driving his automobile on Main street Sunday afternoon at a speed exceeding five miles an hour, the limit fixed in the ordinance regulating the use of automobiles on the streets. It appearing that the limit had been exceeded the Recorder imposed a fine of \$10, which was paid. It might be remarked, in passing, that if every automobilist who has exceeded a speed of five miles an hour within the past year had been arrested and fined, the city's income from that source would have equalled or exceeded that derived from the dispensary. Five miles an hour is very slow travelling and few, if any, of Sumter's many automobilists are slow movers.

A delegation from the city schools of Greenville will attend the Hampton monument unveiling ceremonies

DR. M'DOW DIES.

Lancaster Physician Who Was Shot By Brother-in-Law.

Rock Hill, Nov. 13.—Dr. E. S. McDow of Lancaster, who was shot in Heath Springs last Thursday by Mr. John A. Bridges and was brought to the Rock Hill hospital for treatment, died of his wounds about 3 o'clock Tuesday morning. An operation was performed on him last Friday at noon, the left arm being amputated at the shoulder and the right forearm was split and the shot and pieces of the shattered bone removed. The right arm would also have been amputated later had the patient been strong enough to stand the operation, but his condition was quite serious from the start. He continued to grow weaker until the end came Tuesday morning.

The Second Regiment Band has completed arrangements with Mr. Harry Foote to produce in this city Slumberland, a mammoth musical extravaganza, for their benefit. This entertainment is acknowledged to be one of the largest productions ever presented in this State, as there will be about five hundred children and adults in the cast, all of the participants being secured from the best local talent of Sumter. The extravaganza was presented for five performances in Columbia last winter, and all who saw it are loud in their praises for its many merits.
