The soil survey of Sumter county which is being made by field agents of the United States Department of Agriculture is progressing satisfactorily and the field work will probably be completed early in July.

The fire department was called out Saturday by an alarm sent in from Harvin street, where the residence of Mr. A. W. Thames was on fire. The blaze was quickly extinguished and the damage was not great.

The meeting, called for today by Col. J. J. Dargan, to take proper steps to arrange for the ceremonies attending the unveiling of the monument to Gen. Sumter at Stateburg on August 14th, was not largely attended, there being about thirty present. Col. Dargan outlined his plans in detail and his hearers evinced considerable interest in the matter. Another meeting will be held at some convenient date in the near future.

Real hot weather is to be expected for the next ninety days and the wise man prepares himself to be as comfortable as possible by securing an outfit of seasonable wearing apparel. The D. J. Mrs. Anita Bradley, wife of Mr. Thomas M. Bradley, died Monday night at 10 o'clock, aged 23 years, after a brief illness, leaving an infant child. Mrs. Bradley was the second daughter of Mr. A. B. Stuckey, and was an attractive and lovable young woman, whose untimely death is sad news to a host of friends.

Dr. Howell Dead.

Dr. Howell died of heart failure at his home on West Charles street last Friday. Dr. Howell was one of the oldest and most prominent citizens here. The daughter and other son live in Mississippi. Beside these Dr. Howell leaves a second wife and a number of small children to mourn his loss and to share the sympathy of their many friends here.—Enterprise, Ala., Peoples' Leader, May 9th.

SCHOOL BOARD MEETING.

Teachers Re-Elected for Next Year.—Architect A. W. Todd Will Draw Plans for New Building.

The city Board of Education met Thursday night and re-elected all of the teachers now engaged in the city schools, except Miss Brock, who tendered her resignation, having accepted a place in the Georgetown schools. Miss Foster, Union, was the only new teacher elected.

The board elected Mr. A. W. Todd, of Charleston, as architect for the new school building which will be erected on West Calhoun street.

Mr. W. W. Lyon, who has been selected as the supervising and construction engineer of the sewerage system, arrived in the city from Gainesville, Fla., on Friday accompanied by one of his assistant engineers and will begin the survey at once. It is expected that active work will begin in the near future.

Mr. Manning Hodge, who farms near the Privateer section, is certainly one of the thriftiest farmers. He brought to market this season probably the best bale of cotton in point of quality. On Saturday he brought to town the largest and finest head of cabbage seen this year, and besides had on his wagon quite a lot of sweet potatoes, which sold readily at \$1 a bushel.

The dress parade of the City Schools Battalion at the Baseball Park Thursday afternoon was witnessed by a large crowd, there being upwards of eight or nine hundred spectators present. The young soldiers presented quite a martial appearance, were well up in the manual and performed the field evolutions in battalion and company formation with a precision that did credit to the officers.

Mr. W. J. Craig, Traffic Passenger Manager of the Atlantic Coast Line was in the city Friday by appointment with Col. J. J. Dargan to consult with him in reference to railroad accommodation and excursion rates on account of the unveiling of the Sumter monument at Stateburg on August 14th. Col. CHRYSANTHEMUM SHOW.

An Announcement That is of Interest to Flower Growers.

There will be given next November, under the auspices of the Organ Fund Society of the Presbyterian Church, a Chrysanthemum Show.

There are many of our ladies interested in the culture of this "beautiful queen of autumn," and it is earnestly hoped more time and attention than ever will be bestowed this year upon producing larger and more perfect flowers. This is the month to plant new flowers and reset old ones, so they will attain vigorous growth before pruning time.

In the April Ladies' Home Journal there is an excellent article on the culture of chrysanthemums that would be of benefit for amateur growers.

In connection with the Chrysanthemum Show there will be prizes given for the handsomest ferns and palms of many varieties, and there will be a full collection exhibited.

We announce this at an early date so that everyone may be ready with their chrysanthemums, ferns and palms by fall.

Results are sure and swift. Results are quick and lasting; It penetrates the heart of disease. That is what Hollister's Rocky Mountain Tea does. —China's Drug Store.

STATE LEAGUE BALL.

Spartanburg, May 22.—The game today was a slugging match and the Game Cocks lost out in the tenth inning. It was not a high class exhibition of ball playing at any stage of the game, but it was interesting throughout, as it was anybody's game until the close of the tenth, although in the earlier innings it seemed as if Sumter had the game clinched.

By innings: Spartanburg... 100 303 163 2—13 Sumter... 321 110 201 1—12 Summary: Two base-hits, Martin, Taylor and Gunter. Three-base hits, Gunter, McLaurin, Ecnobow. Home runs, McMakin, Springs. Struck out, Richardson 2; Tribble 1; Sitton 2; McMakin 3. Sacrifice hits, Platt and Sitton. Stolen bases, Poole and McLaurin. Double plays, Poole to Johnson to Mortin. Time of Game, 2.20. Umpire, Weeks.

Three Straights.

Orangeburg, May 22.—Today's game will probably be the high score record of the season, Orangeburg making 17 runs, but a few more such exhibitions will bring the attendance down to a handful. Not one of the three games played here has been a pretty exhibition.

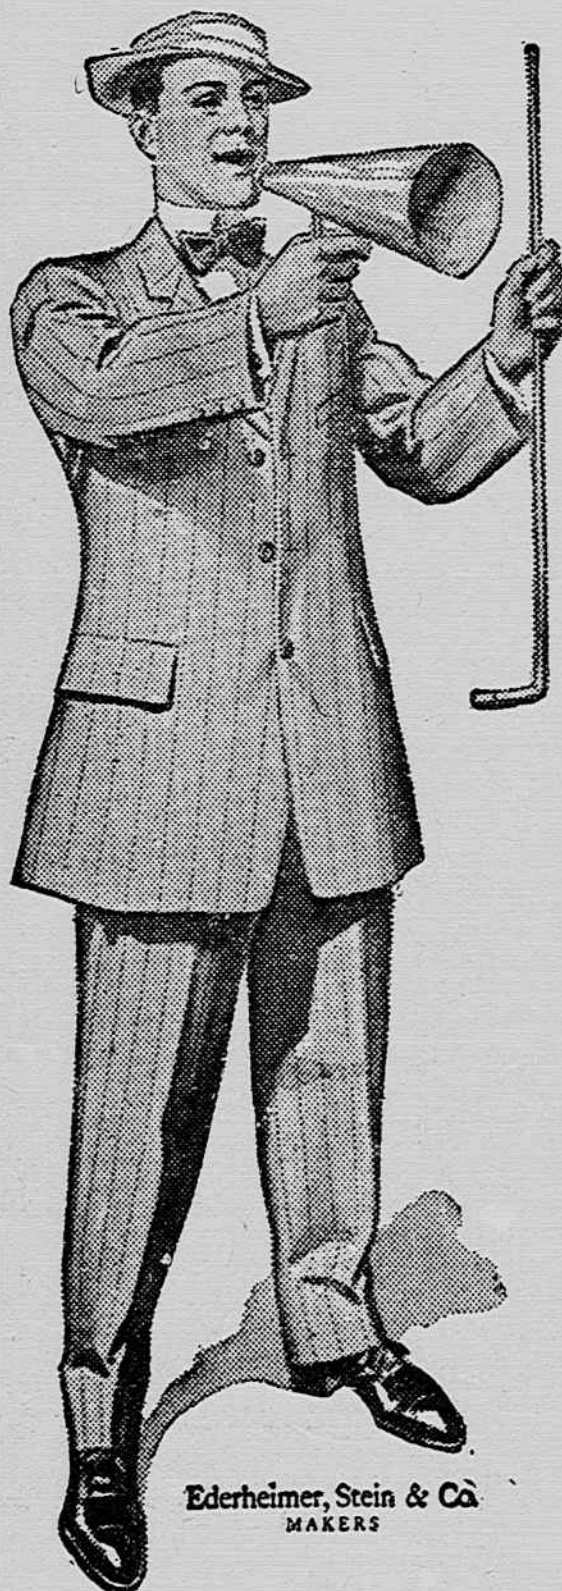

Darlington Gets Third.

Greenville, May 22.—Greenville lost the third game to Darlington by a score of 3 to 1. The game was a fine exhibition and the result remained in doubt until the last inning. Weaver, a new man, was in the box for the home team, but developed little form. Attendance was about 1,000.

The Game Cocks Took the First of Series—Orangeburg Won Four Straits and Anderson Loses to Darlington.

Greenville, May 23.—Before the game was called Greenville fans were confident that Sumter would lose, but they were doomed to disappointment. Errors at the wrong time cost the locals the game. Laval pitched a steady game, but there just wasn't any luck for the home boys. This makes the third game Greenville has lost, but nobody is disheartened or kicking. Fans are looking for better luck tomorrow.

Anderson Lost Again.

Anderson, May 23.—Weak box work and lack of team work cost Anderson the game this afternoon. The game started off well, neither team scoring until the fourth inning.

About 1,200 persons witnessed the game, and many fans are sore tonight over the Anderson team but several new players arrived tonight and the city will hereafter be better represented.

Darlington... 000 231 110—8 Anderson... 000 000 020—2

Four in Succession.

Orangeburg, May 23.—Today's game was the prettiest played here so far and a better game than the error column makes it appear. The grounds are in bad condition, both infield and outfield, and more than one error was made by the players' inability to cover rough spots.

Orangeburg... 001 001 03—8 Spartanburg... 000 110 000—2

Greenville, May 24.—In a beautiful game this afternoon Sumter won from Greenville. Greenville was charged up with one single error, while Sumter made only two. Greenville was a little off in batting this afternoon, which is unusual for the home team, who are generally heavy hitters.

The score: Greenville... 000 010 000—1 Sumter... 000 100 001—2

SATURDAY'S GAME.

The Game Cocks Lost in a Fine Exhibition of Ball Playing—Score Three to One.

The score by innings: Greenville... 030 000 000—3 Sumter... 000 001 000—1

SUMTER SHUT OUT ORANGEBURG IN FIRST DEFEAT OF SEASON.

Flushed with six successive victories, the Edistoos trotted out on a foreign demand Monday for the first contest away from home expectant and confident of victory. A large contingent of rooters for the visitors had seats on the grand stand, and applauded the boys heartily as they went to the field for practice.

At 5 o'clock Umpire McGrath announced the batteries for the game, and while the Second Regiment Band played "Dixie" the 1,250 rooters cheered lustily, Mayor W. B. Boyle threw the first ball over the plate, and the game was on.

The decided and very conspicuous features of the game were the battery work for Sumter and the heavy batting and fine base running of Allison. Tribble, the big southpaw, had everything. The reputed heavy hitters of the Orangeburg team could do nothing with his delivery, as is evidenced by the fact that there were 19 assists to first base.

Stephens, though in poor condition, caught a beautiful game, and is easily the best back stop in the league. If Allison keeps up his line stick work and heady running of bases, he will break up many a good game before the season is over. All the other Game Cocks played brilliant ball, every man on the team was a star, and they all deserve equal credit for the victory.

Cook and Beusse did the best work for the visitors.

Following is the line-up: Orangeburg—Rickard, rf.; McKinney, 2b.; Smith, 1b.; Tiedman, cf.; Luesse, cf.; Cook, 3b.; Glaze, rf.; Connelly, ss.; Stowers, p. Sumter—Hill, 3b.; Wynne, 2b.; Gunter, lf.; McLaurin, rf.; Lindsay, ss.; Morrow, 1b.; Stephens, c.; Allison, cf.; Tribble, p.

Score by innings: Orangeburg... 0 0 0 0 0 0 0—0 Sumter... 0 2 2 0 1 1 0 0—6

Summary: Earned Runs—Sumter 4. Two-base Hits—Allison 2, Cook.

Total Base on Hits—Sumter 13, Orangeburg 6.

First Base on Balls—Off Tribble 0, off Stowers 3.

Left on Bases—Sumter 6, Orangeburg 5.

Struck Out—By Tribble 1, Stowers 5.

Hits off of—Tribble 5, Stowers 11.

Stolen Bases—Wynne, Allison 2, Cook 1.

Time—One hour and twenty-five minutes.

Umpire—Mr. McGrath.

Attendance—1,700.

Anderson Defeats Greenville.

Anderson, May 27.—The game this afternoon was the best that has been played on the local grounds and everybody is proud of the local team, as Anderson won from Greenville by a score of 7 to 6. The fans of Anderson would rather win from Greenville than any other team in the league and about 1,500 persons witnessed the game, which was an interesting one from start to finish.

Darlington Won From Spartanburg.

Darlington, May 27.—A large and enthusiastic crowd was at the ball park this afternoon to see the Spartans go down in defeat.

Bantams vs. Broad Street.

The Little Bantams and the Broad Street team pulled off a red hot game of ball Saturday that deserves to go on record alongside the Orangeburg-Spartanburg game of Friday. The Bantams had on their batting clothes and the Broad Street team used up three pitchers but still lost the game by a score of 10 to 0. Batteries—Bantams: Tootsie Bull c.; Robert McKKay; Broad Broad.

Actually Cures Catarrh.

\*It is one thing to claim, but another thing to back up the claim by a statement that if not proven true, there will be no charge for the service or the goods. It is in this way that J. F. W. DeLorme sells Hyomei, for he has so much faith in its power to cure all forms of catarrh and bronchial troubles that he gives an absolute, unqualified guarantee with every outfit that if the remedy does not cure the money will be refunded.

A complete Hyomei outfit costs but \$1. making it not only a very pleasant method of treatment, but most economical. 5-22-21
