COMMISSION STILL AFTER COAST LINE RAILROAD.

Proposition Now Made to Run Orangeburg-Lane's Train On to Florence. -Sumter-Gibson Train to Be Con-

Columbia, Nov. 20.-Chairman Caughman, of the railroad commission mid today that while out on a trip together last Wednesday the commisden decided to continue the new train recenly ordered on for the relief of the Pee-Den section, to run between Suinter, S. C., and Gibson, N. C., inseed of to run between Lane's by Piorence to Bennettsville or Gibson.

The commission has asked the Coast Line officials to extend the schedule of what is known as the Orangeburg train, which runs between Orangearg and Lane's, leaving Orangeburg 7:15 a. m., and arriving at Lane's at 11 a. m., on from Lane's fortywith miles to Florence, returning to Lane's in time to make the connecdon there with the trains to Colum-Charleston and Georgetown and periving at Orangeburg same as now. This, Mr. Caughmen says, will give trains each way between Flore and Lane's, and will be specially ouvenient to people between these two points.

Superintendent Anderson and Genral Manager Royall have both regered their strong disapproval, for ancial reusons, of this proposed ane's Florence train, but in a letter set received by the commission Vice sent Kenly has virtually promisto inaugurate this additional serthough he talks in a very "blue" strain, saying that business is falling of, and it may be necessary to dismilitude some trains already started Me suggests that the Lane's-Floronce train te put on as an experiment during the session of the legislature and continued for thirty to sixty days, to be taken off then if it proves finanman however, will temorrow write den, urging that the new train be put about the middle of December for istnes travel, and that it be t on for not less than six months a order to give it a thorough test.

MET IN SPECIAL SESSION.

City Council Held Meeting to Discuss The Fire Department Situation.

City council met in special session yesterday evening to hear a report of the committee appointed to confer with the members of Delgar Reel squad in regard to their disbanding on December 1. The committee reported that the members of this company stated that they would certainly disband on the above date and would accept no change in their plans as given notice of to the council some weeks ago. After some discussion, the committee was instructed to confer with the squad in regard to a complete sale of its property to the city without any conditions attached.

NEW ORLEANS MAY GO "DRY."

Active Campaign Begun in That City To Put Down Liquor Traffic.

New Orleans, Nov. 24.-With a 'dry" New Orleans as the aim of prohibitionists and a reformed New Orleans the object of the saloon keepers, a crusade reflecting the prohibition movement in other parts of the South began here today. Ministers in nearly all of the city Protestant churches devoted part of their sermons to appeals for closing up the liquor traffic.

The announced plans of influential liquor dealers are first to force the resignation from the Louisiana Liquor league of objectionable members, and second to petition the city council to close up the saloons of such retired members. The closing of dives, especially negro resorts, is one of the objects of the liquor dealers. Another is to create such surroundings where drinks are sold as will minimize

IS POSITIVE ABOUT THOMAS.

Rev. Dr. J. William Jones Said He Wanted to Enter Confederacy.

Richmond, Va. Nov. 16 .- Considerable interest has been aroused in Confederate circles in Richmond over the publication in the Confederate Veteran of the statement that before the outbreak of hostilities between the States, Gen. Ulysses S. Grant, then a retired captain of the United States army living in Illinois, offered his services to President Jefferson Davis, regiment of volunteers. The same reference is made in the article to Admiral Farragut and Gen. Geo. H.

Col. James U. Stuart, passed vicecommander of the Illinois Grand Army of the Republic, has issued a statement in which he challenges the production "by the Louisiana Historical Society or by any other society or individual of any authentic letter written by either of these three men at any time which contains one word or phrase from which the inference could be drawn that they were willing at any time to assist the cause of the rebellion."

Rev. J. William Jones, D. D., chaplain and historian of the Confederacy said tonight that he had no knowiedge of Grant and Farragut having made such an application, and in the case of Grant he regarded it as exceedingly doubtful.

"There can be absolutely no doubt, however," continued Dr. Jones, "in the case of Thomas. I have published the matter time and again, and will state most emphatically that I have in my possession a letter from Gen. George H. Thomas, which admits that at the time of the secession he applied for a commission to enter the Confederate service."-Baltimore

CATARRH YIELDS

To Healing Air of Hyomei-Sold Under Guarantee by J. F. W. De-

Catarrh is the most prevalent disease known to humanity. Probably ninety per cent. of the people in this country suffer at one time or another with this common disease.

It is a germ disease and hence can be cured only by some method that will reach and destroy the germs.

This is best found in Hyomei, which may be called the direct method of treating catarrh, as its medication, taken in with the air you breathe, goes directly to every air cell in the nose, throat and lungs; kills all catarrhal germs; heals the irritated mucous membrane and vitalizes the tissues so as to render catarrh no longer possible.

The unique way in which Hyomei is sold should dispel all doubt as to its curative properties, for J. F. W. DeLorme gives his absolute guarantee to refund the price to any catarrh sufferer that Hyomei fails to benefit. You do not risk a cent in testing its healing powers. What offer could be more fair to you than this, where a leading druggist takes all the risk of Hyomei giving satisfaction, leaves you to be the judge.
