Mr. Brunson was one of the best known and most highly esteemed citizens of his community, and had many friends in this city and throughout the county who will hear of his death with sincere regret. The funeral was held Monday.

Mr. W. A. Brown received Monday morning a telegram from Eaufaula, Ala., informing him of the death of his brother, Mr. Eugene L. Brown, who died in that place Sunday night. The death was sudden and altogether unexpected. Mr. Eugene Brown, who was about sixty years of age, had made his home in Alabama for many years.

Jordan, Sept. 27.—Mrs. Susan Lesene Wilson, wife of Dr. H. L. Wilson, died at her home in Jordan on Tuesday afternoon, in the 35th year of her age. She had been in failing health for several years. For months it has been evident that she could not long survive. Dr. Wilson and five children survive her. Her six brothers acted as pallbearers.

Mayesville, Sept. 27.—Mr. Harry H. Cooper died at his home here at 8:30 o'clock last night after a painful illness of several years. The deceased was about 37 years of age and was the son of Capt. Eli M. Cooper. He had been one of the prominent planters of this section for many years and was identified with this town in different ways since quit a young man. He was of a cheerful disposition, although in bad health for so long, and had hosts of friends. The deceased was a life-long member of the Presbyterian church and for several years a deacon. He leaves a wife, who was Miss Lizzie Rhodes, to mourn his death.

The funeral services were held this afternoon at the Presbyterian church, being conducted by the Rev. H. A. Knox, the pastor, the interment made in the Mayesville cemetery.

LOCAL PARAGRAPHS.

The Sumter Telephone Company has filed with City Clerk Hurst a petition signed by 317 of the patrons of that company asking that City Council grant the request of the company that the rate for residence telephones be increased from \$1.50 to \$2 a month. As this is a majority of the patrons of the company nothing now stands in the way of the increase of the rate for residence phones. The new rate will go into effect on December 1st.

John Robinson, who killed Henrietta Evans Tuesday night has not yet had a safe get away. He has been captured and it seems that he doubtfully has assistance from other negroes who covered his movements and refused to give the police any assistance. Robinson is the second murderer within a year to escape capture by the same means.

The Southern Bell Telephone Company has connected its long distance wires with the exchange of the Sumter Telephone Company and it is now possible for the subscribers of the local company to send and receive long distance messages through their own telephones, which will be a great convenience to business men who have frequent occasion to use the long distance lines. Long distance pay stations will be established at convenient locations in the city.

The dispensary sold \$1,407 worth of liquors on Saturday. This was exclusive of the sales by the beer dispensary.

Cec Newberry, colored, who has been in the employ of Bultman Bros. as porter for several years, was arrested Tuesday and committed to the guard house, charged with larceny. He was supposed to be honest and had the run of the store. He helped himself to fine shoes for himself, relatives, and acquaintances, and raided the cash till as frequently as possible. Several pairs of fine shoes were recovered, but there is no means of ascertaining how much he has stolen from time to time during the past several years.

John Williams, colored, was arrested Saturday night for stealing a pair of \$5 trousers from Everybody's Store. He was tried before Recorder Hurst Monday and sent to the gang for thirty days.

The condition of Teley one street, between the passenger station and Harvin street, is not a good advertisement for the city. A visitor to the city who rides over this street will imagine he has hit a dump heap for brick bats.

The Woman's Foreign Missionary Society of the M. E. church will meet at Mrs. M. M. Brinkley's, 207 West Hampton avenue, on Oct. 1st, at 4:30 p. m. All ladies are invited to attend.

Send us your job work.

DEATH.

Mr. J. F. Bland, of Mayesville, died at 5 o'clock Thursday afternoon at his home in that town, aged 74 years, of organic heart disease, after a long illness.

Mr. Bland moved to Mayesville from New Hanover county, North Carolina, soon after the war and engaged in the turpentine and lumber business. Afterwards he bought large plantations and entered into the mercantile business, amassing quite a fortune. He leaves a wife and three sons to mourn his loss. The funeral services and burial were held Friday.

DRY GOODS ARE CHEAP.

THERE is considerable dissatisfaction among our agricultural friends regarding the price of cotton, and there is good reason for it, when we consider that the staple is selling at practically twenty dollars a bale less than it sold for a year ago, but if we take into consideration the price of goods, exclusive of bread stuffs the purchasing power of a bale of cotton is very near as much to-day as when it sold for twelve to thirteen cents. Dry Goods are practically as cheap as they were when cotton sold at seven cents, and believing they had about touched bottom we loaded up pretty freely and consider ourselves in a position to meet all legitimate competition, as the following prices will show.

6000 YARDS 36 inch Sea Island at - - - - 5c a yard.	2500 YARDS Percales At Old Prices.	6000 Yards Outings The Best Made at - - - - 10c the yard.

Clothing and Furnishing Goods

We will have more to say about this stock later, but for the present wish to remind you that next week, most of the schools open and your little fellow may want a new suit to make his first appearance in, and all we ask is a chance to show him, our stock will be the rest.

WE could entertain you with a great deal more that would be interesting regarding our Mammoth Stock, but since the formation of the paper trust, advertising space has become very expensive, you will hear from us, however, from time to time as the season progresses. but permit us to remind you that when you come to town to sell your cotton, or do your shopping, there are none more anxious to serve you, or in a better position to do so than
