The fire Saturday morning brings out the fact very strongly that one of the needs of the fire department is more hose.

What is the matter with the fire engine that was purchased by the city for use in case of fires which could not be handled by the hose wagons?

It is about time for city council to begin the annual wrestle with the dog ordinance.

Wilson-Lemmon.

A wedding of great interest in social circles of this and nearby cities was that Thursday night at the residence of Mr. Thos. Wilson on Broad street. The bride was Miss Elizabeth Wilson, eldest daughter of Col. and Mrs. Thomas Wilson of this city, and the groom is Mr. G. A. Lemmon, a prominent business man of this city. Both the bride and groom are well known and have the best wishes of their many friends throughout the State.

The ceremony was performed at 7:20 by the Rev. H. H. Covington in the presence of the immediate families of the bride and groom. Mr. and Mrs. C. G. Rowland and Dr. and Mrs. H. M. Stuckey being the only persons from the city invited to witness the ceremony outside of the immediate families. Mr. John K. Crosswell of this city was best man for the groom and Miss Mary Wilson, sister of the bride, was maid of honor.

Among the out-of-town guests present at the ceremony were: Miss Jau-nita Hewit of Darlington, Miss Corine Barfield of Manning, Mrs. Edwin Henderson of Cincinnati and Miss Lola Anderson of Augusta, and Mrs. Laughey, of Ligoniere, Pa.

Immediately after the ceremony the doors were thrown open to admit several hundred friends of the bride and groom who had been invited by Col. and Mrs. Wilson to a reception given for the newly married couple. In the receiving line were Col. and Mrs. Wilson, Dr. and Mrs. Stuckey, Mr. and Mrs. I. C. Strauss, Mr. and Mrs. R. D. Graham, Mr. and Mrs. Geo. L. Ricker, and Mr. and Mrs. O. H. Foley. The punch was served by Misses Gussie Hood, Julia Rowland, Ethel Hutchison, and Emma Mood.

The house was decorated in yellow and green this color scheme being carried throughout the entire occasion.

The bride was the happy recipient of between three and four hundred beautiful presents all of which were tastefully displayed and much admired by the guests.

During the reception the bride and groom slipped out a back way and, taking an automobile, drove down to the Sumter street crossing where the A. C. L. train for Columbia stopped for them upon special permission from the Superintendent of the road. From Columbia Mr. and Mrs. Lemmon went to New York and, after a stay of sometime at that place they will take a sea voyage, stopping at Panama Canal and other points of interest, where they will spend about two months.

After the 15th of April the bride and groom will be at home to their many friends at their home on Church street.

DR. SNYDER'S ADDRESS.

Large Audience Listen to Interesting Address at First Baptist Church Sunday Night.

A large and attentive audience gathered at the First Baptist church Sunday night to hear the address given by Dr. H. N. Snyder, President of Wofford college, on the subject of "What was Worth While in our Modern Civilization." The thing that counted most in our modern civilization according to Dr. Snyder was our charitable work, especially in behalf of the sick and afflicted.

After Dr. Snyder's address the report of the Civic League nurse was read in condensed form by Dr. Brown who conducted the services. Rev. H. H. Covington, rector of the Episcopal church, then rose and stated that he had been requested to solicit subscriptions on behalf of the Civic League. He said that Sumter was the most charitably inclined city that he had ever known of and that he hoped that the subscriptions for this worthy cause would be very liberal. Papers were then passed around among the congregation and a collection taken up for the support of the Civic League nurse and to help carry on the charitable work among the sick and poor of the city.

The report, in a condensed form, given out by the Civic League nurse, Mrs. Jones, is as follows: Total number of lists paid, 2,158; patients visited, 1,444; patients to die, 16; patients sent to hospital 7; births, 1; patients now under treatment, 22; tuberculosis patients, 14; visits paid to tuberculosis patients, 259. This report covers a period from May 5th 1910, to February 11, 1911.

Deputy Sheriff John Epperson has succeeded in recovering another wheel from Gourdlin's. This makes eight altogether and there are still others that were sold in that neighborhood by the same negro who made a business of stealing wheels in Sumter and selling them at Gourdlin's. The purchasers must have had an inkling that the wheels were stolen for the negro sold them at a very reasonable price—some of them for \$4.50—pretty cheap for \$75 wheels.

Auditor-elect R. E. Wilder will be commissioned within a short time, as he has arranged for his official bond.

LOT SALE AT REMBERT.

The Remaud Was Strong and Lots Sold Rapidly at Satisfactory Prices.

The sale of town lots at Rembert Friday and Saturday was a greater success than anticipated by the most sanguine. The crowd attending the auction was large and the bidding was lively from start to finish. The auctioneer was kept busy all day both Friday and Saturday. The average price obtained for the lots made the land bring around \$500 an acre, which will give an idea of the competition there was among the bidders. Friday there was a large crowd of Sumter people in attendance on the sale and a number of them bought lots. It is said that several who purchased lots will locate at Rembert and engage in business.

TO REBUILD OFFICE BUILDING.

Building Supply Co. Still Busy in Spite of Recent Loss of Office.

The Building Supply Co. was busy at work on Monday despite the recent loss of the office building, and after one day from work, the firm is ready for business. The present intention of the firm, as stated by Mr. J. M. Harby, the manager, is to rebuild, using the same foundations, and this time making it a one story affair.

At present the office has been temporarily established in a building next to the old office and is almost as conveniently fixed up as formerly. The only time lost by the fire was Saturday when things were being put in shape, and today all of the machinery was working as formerly.

BARN OF R. C. REMBERT BURNED.

Fire Destroys Barn and Horses Belonging to Mr. R. C. Rembert at Gaillard's Cross Roads.

Friday night about 11 o'clock the barn and stables of Mr. R. C. Rembert who lives some distance above Gaillard's Cross Roads were destroyed by a fire whose origin is unknown. Four hoses were burned to death in the fire.

Mr. Rembert is at a loss to account for how the fire started as he has no enemies that he knows of and it was several hours time after anyone had been near the building that the fire was discovered.

When the fire was first discovered it was too late to stop it and the horses could not be saved. In the barn were about four hundred bushels of corn and all the fodder and hay that Mr. Rembert still had on hand were also destroyed in the fire. It is reported that there was no insurance on the property and that the whole was a total loss amounting to several thousand dollars.

In The Recorder's Court.

There were only two cases tried in the Recorder's Court on Monday and these two cases netted the city something over \$50.

William Ruff was arrested Saturday afternoon for cursing. On Monday when the time came for trial he was absent. He was tried in his absence and given a sentence of \$5.00 or 10 days. As his bond was that amount it just covered his fine.

Graham Grooms, white, and James Ford, colored, were brought up on the charge of carrying concealed weapons and discharging firearms in the city limits. Both of them plead not guilty to discharging the firearms and Grooms plead guilty to carrying the concealed weapon, as brass knuckles were found on his person when he was arrested. The evidence was much against both of the men, although it showed the darky to be innocent of carrying the concealed weapon or of discharging firearms. Grooms was given \$15 for discharging his gun at random in the city and \$25 for carrying concealed weapons. Ford was let off easy with a fine of \$10 for lying.

Sore Throat & Chest

I am so enthusiastic concerning the virtues of

HUNT'S LIGHTNING OIL

that I always keep a bottle of it in the house, and to my particular friends I give a bottle unless they live so near that I can pour out from my own supply to tide them over any trouble. I use this liniment for colds, rubbing it on my throat and chest as a counter irritant. **** I won't say any more but you see how enthusiastic I am.

FLYING MERKLE FLIES SOME.

Won The Free for All Race in New Orleans Sunday.

Lucian Strauss is all smiles today. Aside from being the happy agent for the Flying Merkle motor cycle in South Carolina, through the Carolina Merkle Co., he is recipient of good news.

The Flying Merkle won the 5-mile free for all race at New Orleans yesterday. Then it found that there was another race. The big ten-mile free for all was copped in with the Flying Merkle leading when the wire was crossed.

So much for the races. Five mile race was done in the thrilling time of 4 minutes 4-100 seconds, which in the English language was going some.

Chappele the professional rider, who won the two races above mentioned has signified his intention to visit Sumter on his return from New Orleans and his welcome to the Game Cock City is much heralded.

It is hoped to have Mr. Chappele here on the day of the Chamber of Commerce rally but this has not been definitely decided.

Read what he says concerning Peruna.

"I write to say that I have used Peruna and find it a very valuable remedy for coughs or colds and rebuilding of a worn and tired system, dissipating and eradicating that old tired feeling."—Col. William Camp, 1740 L St., N. W., Washington, D. C.

MR. CHAS. BROWN, Rogersville, Tenn., writes: "I feel it my duty to write you a few words in praise of your Peruna. I have tried many different remedies, but have found that Peruna is the greatest tonic on earth, and a perfect system builder.

"A friend advised me to take Peruna for indigestion, and it cured me in a short time. I was very weak and ner-
