MOTHER LORETTO BURIED.

Great Congregation Attends Funeral Services at Cathedral.

The funeral services over the late Mother M. Loretto Quinlan were held yesterday morning in the Cathedral of St. John the Baptist, hundreds of people from the city and every portion of the State being in attendance. The interment took place immediately after the services in the lot of the State of South Carolina at St. Laurence Cemetery.

Mother Loretto died on Monday evening at the St. Francis Xavier Infirmary. The remains lay in state in the Convent chapel on Tuesday and were borne to the Cathedral yesterday morning. The procession was solemn and impressive, the cross bearer and the acolytes being followed by the boys and girls of the City Orphan Asylum, the Sisters of Mercy and the honorary and active pallbearers. The clergy who took part in the procession chanted the Miserere. The music for the occasion was rendered by an augmented choir.

The active pallbearers were: T. J. Price, H. C. Laurey, L. J. Cantwell, A. W. Litschgi, F. Q. O'Neill, J. J. Furlong, Henry Schachte and D. O'Brien.

Honorary—H. T. Soubeyroux, A. P. Almar, J. McAllister, C. O'Donnell, J. F. Rafferty, Simon Fogarty and A. J. Riley.

The funeral services were conducted by the Right Rev. H. P. Northrop, Bishop of Charleston, assisted by the Revs. J. D. Budds and J. S. Kelly. The Office of the Dead was then recited by the clergy, the Revs. J. D. McEvier and N. A. Murphy leading the choir.

MANY FISH FRIES.

People of City Enjoy Themselves at the Expense of the Fish in the Nearby Ponds.

Fish fries are very popular at this time, their popularity seemingly being at its height. Tuesday night there was a big fish fry at Cain's Mill and another one at White's Mill. It is not known which one proved the most successful.

Wednesday a large party went to Brewington to a big fish fry and all-day fishing trip at that place. The trip to this place several days ago was so successful that it was decided to repeat it again and despite the rain, the party left in automobiles hoping that the weather would clear up for them during the day.

If words would pave Main Street, it would have been laid with vitrified brick, or something better, from Mile branch to Pocatigo, many months ago. But the people have not abandoned hope, the bids are to be issued and the contract let in the near future, and at least a few blocks will be paved within twelve months.

GRESHAMS IN THE CITY.

MESSRS. C. GRESHAM AND E. B. GRESHAM LOOK OVER SITES OFFERED FOR HOTEL.

Traveling Men and People of the City to Eat Their Thanksgiving Dinner in Model Hotel—Party Leaves for Spartanburg and Charlotte.

From the Daily Item, May 25.

This morning Messrs. C. Gresham, president of the Gresham Company, which is to build the hotel in this city, E. B. Gresham, manager of the Gresham company, T. A. Green, the contractor, and S. E. Tinley, the architect, were in the city to look over the sites offered for the new hotel on which options had been secured.

Mr. Gresham stated before he left the city that he had not decided upon any site yet, but that the site would be selected by ten o'clock tomorrow at which time he would telegraph here. The most remarkable statement made by Mr. Gresham was that the hotel would be open by next Thanksgiving and that a big dinner would be held in the building on that day. Considering that Thanksgiving is only six months off this is a most remarkable statement to make, but Mr. Gresham stated that the people of Sumter would certainly have the chance to eat their Thanksgiving dinner in his hotel here.

Mr. Gresham stated that the choice of lots had been narrowed down to three, the prices on some of the lots being too high and others being manifestly not suitable for a hotel. The choice of the site from these three lots will be known tomorrow sometime. It will probably take about a month to examine the titles to the property and make the transfer and immediately after these matters are attended to the building will be commenced.

The Greshams and the others in their party left on the eleven-thirty train. Messrs. Green and Tinsley going to Spartanburg and the Greshams to Charlotte.

INDICTED MEN WANT TRIAL.

BLACK, TATUM, TOWILL AND BOYKIN WANT VINDICATION.

Arrested in 1907 and Indicted in 1909, They Say, and Want Matter Disposed of—No Decision.

Columbia, May 25.—In Richland county court yesterday John Bell Towill, W. O. Tatum, John Black and L. W. Boykin, formerly directors of the South Carolina State dispensary, demanded through their attorneys, that their cases now pending against them be tried. It was their contention that they were arrested in 1907, indicted in 1909, but have not been given trial on the charges now pending although they have never asked a continuance and have been ready to stand trial at each term of court.

W. H. Cobb, solicitor, notified the court, for J. Fraser Lyon, attorney general of South Carolina, that the State was not ready for trial at this term. Judge Robert Aldrich, the presiding judge, then ordered Solicitor Cobb to confer with Mr. Lyon and report at the current term of court if the State would be ready at the next term.

These men were indicted along with a number of other dispensary officials. John Black, one of the men demanding a trial, was convicted in Chester county on one count, but afterwards granted a pardon by Cole L. Blease, governor of South Carolina.

Attorney General Lyon was out of the city yesterday, and therefore a statement as to the reply that would be made could not be obtained. M. P. DeBruhl, assistant attorney general, could not say as to whether the case would be ready for trial at the next term of court. The attorney general is expected to return to the city before the week is over.

The attorneys for Jno. Black are Nelson, Nelson & Gettys and M. P. Howell; for L. W. Boykin, George Johnson.

CURED TO STAY CURED.

How a Sumter Citizen Found Complete Freedom From Kidney Troubles. If you suffer from backache—From urinary disorders—From any disease of the kidneys, Be cured to stay cured. Doan's Kidney Pills make lasting cures.

So Sumter people testify. Here's one case of it: W. M. Folsom, 101 Hampton avenue, Sumter, S. C., says: "I read about Doan's Kidney Pills when I was suffering from kidney trouble and I procured a box at China's Drug Store. My back ached for some time if I made a quick move, I had sharp twinges throughout my body. After sitting for awhile, I had to lift myself up by main force. The kidney secretions were unnatural and filled with sediment. Doan's Kidney Pills which I obtained at China's Drug Store, gave me entire relief and after taking them I enjoyed good health. I have no hesitation whatever in giving Doan's Kidney Pills my endorsement." (Statement given in March, 1908.)

LASTING RESULTS. On January 7, 1911, Mr. Folsom was interviewed and he said: "I have no reason whatever to change my high opinion of Doan's Kidney Pills and I gladly confirm my former endorsement of them. The benefit this remedy brought me has been permanent."

Extracts From a Diary.

ONE MAN'S SYSTEM.

I talked with our superintendent yesterday. I spoke of the high cost of living. He says he started in on less wages than I am getting and managed to save money. It seems about impossible, but he began making a schedule of his living expenses—the things absolutely necessary. What remained he called profits. He used one-half his profits for pleasure expenses, saving the other half. He said it was all due to his little system which showed him exactly what he spent.
