Mr. A. J. Stubbs went to Hagood Wednesday on business.

"THE THREE TWINS."

Lavishly Staged Musical Comedy to be Here on February 1st.

"Electrically lavish" is the musical comedy "Three Twins" which appears at the Academy of Music on Thursday, Feb. 1st. An electrical staff of four men, including a chief electrician, is an important part of the company, and the numerous illuminated displays in the production require their constant attention.

The chief electrical feature is a gigantic merry-go-round and swing, which is rendered brilliant by 2,000 colored bulbs. The placing of this great piece of stage mechanism, weighing three tons, into position, requires the exertion of nine men for a space of about four hours—its dismantling about the same amount of time. It is in actual use on the stage for a little over one minute, which is an illustration of the vast painstaking exertion put forth by modern amusement enterprises.

The "faceograph" is another popular element in the list of things electrical. By means of a complicated system of lights and mirrors, the features of one of the prettiest of the chorus girls are reflected on a rear "drop," vastly enlarged and with the tints of her complexion exactly portrayed. One the sheet the girl is seen to smile, pout or roll her eyes, her lips moving with the words of the song "The Girl Up There." The chorus girl in question has to insert her head—upside down—within a small compartment, wherein are powerful reflectors. The electrical power of 150 amp. is required for the faceograph, equal to the light force of 300 16 candle power lamps.

Death of Mr. I. T. McCoy.

Mr. Isaiah T. McCoy, of the St. Charles neighborhood, died Wednesday at the Sumter Hospital where he was taken several days ago for surgical treatment. The body was taken from here Wednesday afternoon to St. Charles, where the funeral services were held Thursday.

Mr. McCoy was 51 years of age and was well known as a Woodman of the World. He was married and is survived by his wife and several children.

Confiding World.

That this is a confiding world is still proved by the sale of hair restoratives by bald-headed men and the peddling of books on how to be rich by youthful peddlers working at \$2 a day.

Maybe He Doesn't Say It Now.

"I wonder," mused the contemplative boarder, "what has become of the old-fashioned man who used to get up in morning and confess that he had just enough religion to make him miserable?"

Shaw & McCollum's ad. should attract the attention of all our readers. They are advertising a big white sale and their prices will astonish you.

WANTED—To buy at once several carloads 4-foot pine, oak and slabs. Apply Commodore's Ward Yard, Sumter, S. C.

SMITH CALLED TO NEW POST.

Present Head of Davidson College Elected President of Washington and Lee University.

Lexington, Va., Jan. 24.—Dr. Henry Louis Smith, president of Davidson (N. C.) college, was today unanimously elected president of Washington and Lee university.

Dr. Smith was born in Greensboro, N. C., and is 54 years old. He was graduated from Davidson college, afterwards pursuing a course at the

University of Virginia, which in 1890 conferred upon him the doctorate in philosophy. He joined the faculty of Davidson in 1887 as professor of physics and has been president of the institution since 1901, during which period the number of students has tripled while the endowment and material equipment have been doubled.

To Dr. Smith belongs the distinction of taking the first X-ray photographs in the South, at Johns Hopkins university, and has done much for scientific advancement in that line. Probably Will Accept. Charlotte, N. C., Jan. 24.—Dr. Henry Louis Smith, in an interview over the long distance telephone, tonight declined to say definitely whether he would accept the offer of the presidency of Washington and Lee university. Dr. Smith, however, frankly admitted that the proposition appealed to him strongly. From other sources it was learned that Dr. Smith probably will accept.

Dr. Brown to Lecture.

The Ladies' Auxiliary Committee have arranged for a lecture by Rev. C. C. Brown, D. D., of Sumter, to be delivered on Friday evening, February 9th, for the benefit of the Confederate monument fund. The price of admission will be 50 cents for adults and 25 cents for children. Tickets will be put on sale right away and it is hoped that they will be readily taken. There can be no more worthy object, and besides the lecture itself will be more than worth

the money. Clarendon county must have a Confederate monument and these noble women are going to do their part towards raising the necessary money.—Manning Times.

DO YOU KEEP BEES?

I would like to have the name and postoffice of every person who keeps Bees in this section of the State. If you are one will you please send your name and postoffice address to me on a postal card. N. G. OSTEN, Sumter, S. C.
