

### A. C. L. TRAIN WRECKED.

**MAIL AND BAGGAGE COACHES OF TRAIN 53 LEAVE TRACK NEAR CITY LIMITS.**

**No One Injured—Several Rails Torn up and Cars Damaged—Passengers and Baggage Transferred and Special Train Run out from City.**

Atlantic Coast Line train No. 53 from Greenville to Charleston was wrecked Monday evening as it was leaving the city on its run from here to Charleston. No one was injured and the damage consisted in several rails being torn up and some damage to the mail and baggage cars which left the rails. The wreck was caused by a broken rail.

The wreck occurred just as the train was leaving what is known as the "new yard" and running out on the main line. Here the broken rail caused the two cars to leave the track. A switch at this point was smashed and several rails were torn up before the train came to a standstill.

Later on the "Shoofly" train from Florence was stopped at this point and delayed several hours. It was finally decided to transfer the baggage and passengers from 53 to 47 which was run out about 11.30 for Charleston, taking the place of the regular train and a special train was made up in the yard to run to Orangeburg, taking the place of 47. The work on the wreck was continued all night and Tuesday by 6 o'clock the cars had been returned to the rails and all damage repaired, so that trains could pass the scene of the wreck as heretofore.

Tuesday morning a special train had to be made up in town to make the regular run to Florence, this train leaving here nearly an hour behind the time of the regular train.

Mr. C. M. Brand was notified of the wreck in Darlington, which place he left for Sumter immediately, making connections at Florence with No. 55. While running to catch his train at Florence Mr. Brand fell and sustaining several bad scratches and bruises on his hands and face.

### SAD DEATH AT LYNCHBURG.

**Mrs. Agnes S. Perkins Dies as Result of Accident.**

Lynchburg, Oct. 15.—A very sad death occurred in this little town last Thursday. Mrs. Agnes S. Perkins, while stirring around as usual in the store room, lost her balance and fell, breaking and dislocating her hip which resulted in her death a few days later, despite all medical skill could do.

Mrs. Perkins was the mother-in-law of the late Dr. E. F. Darby and leaves a number of relatives and friends to mourn her loss. She was a most estimable and amiable lady and will be long and sadly missed. She leaves three daughters, Mrs. E. F. Darby, Mrs. J. F. Matthews and Miss Mattie Perkins; also two aunts and three uncles.

The deceased was in her 72d year, since January last. Her remains were laid to rest in the Presbyterian cemetery on last Sunday afternoon. Rev. Mr. Beasley, pastor, officiating, assisted by Rev. Mr. Going, pastor of the Baptist Church.

### Hot Supper at Baker School.

The hot suppers given by the Baker School are famous; famous for the good things they serve the hungry inner man, but more famous for the entertainment which lends a unique feature to these delightful occasions. There is always something doing at a Baker School hot supper. Well, the good ladies out there are going to give another of their affairs on the evening of October the 25th, which is next Friday, week. It is useless to describe all the details which have been planned. Come and see and eat and have a good time.

### Chronic Dyspepsia.

The following unsolicited testimonial should certainly be sufficient to give hope and courage to persons afflicted with chronic dyspepsia: "I have been a chronic dyspeptic for years, and of all the medicine I have taken, Chamberlain's Tablets have done me more good than anything else," says W. G. Mattise, No. 7 Sherman St., Hornsville, N. Y. Sold by all dealers.

The "County Fair" will be repeated Wednesday night, the curtain rising at 8.30. Tickets are on sale at the box office, at the same prices, 25, 50, and 75c, or tickets bought from the children can be reserved at the box office without further charge.

### Avoid Sedative Cough Medicines.

If you want to contribute directly to the occurrence of capillary bronchitis and pneumonia use cough medicines that contain codeine, morphine, heroin and other sedatives when you have a cough or cold. An expectorant like Chamberlain's Cough Remedy is what is needed. That cleans out the culture beds or breeding places for the germs of pneumonia and other diseases. That is why pneumonia never results from a cold when Chamberlain's Cough Remedy is used. It has a world wide reputation for its cures. It contains no morphine or other sedative. For sale by all dealers.

### ELECTION QUIET—SMALL VOTE.

**Comparative Little Interest Taken in Election of Attorney General.**

The second State primary election passed off very quietly in the city Tuesday. There was a very small vote cast in the city, the total being not more than half of what was cast in the first primary election.

At 3.45 o'clock Tuesday afternoon the votes at the various wards in the city were as follows: Ward 1, 61; ward 2, 251; ward 3, 111; ward 4, 81; making a total of 504 votes cast at the four voting precincts in the city.

There was some trouble at first Tuesday morning in securing managers for the different boxes, but these were finally settled upon and the election went off without any hitch or delay. There seemed to be very little interest among the people of the city in the election, although it is probable that Lyon led by a good majority.

### GIANTS WON AGAIN.

**Fighting Hopes Rally Gamely Behind Marquard.**

New York, Oct. 14.—Fighting on the last trench, the New York Nationals repulsed the on-rushing Boston Americans today and sent them back to defeat by a score of 5 to 2 in the sixth game of the world's baseball series.

A victory for the Red Sox would have carried with it the title of world's champions of 1912 and when "Rube" Marquard walked off the Polo grounds this afternoon with his second victory over Boston, New York took hope that the Giants might be able to capture two more games and bring the title to this city.

The world's series now stand Boston three games won, New York two games won, one contest a tie. New York, however, did not win all the victories today. On the green turf just back of first base, while the 30,000 spectators were leaving the grounds, Managers Stahl and McGraw tossed a coin to determine in which city the deciding game should be played in event New York won tomorrow's game. Stahl won the toss and all the remaining games will be played on Boston's field.

President Taft, on board the Mayflower, kept in touch with the game while reviewing the battleship fleet in the Hudson. The landing scores were also wigwagged from ship to ship all along the line so that every manager of those aboard could know the progress of the game.

All the action of the day's game came early and when the smoke of battle floated away at the end of the second inning the score stood 5 to 2 in favor of the Giants. Thereafter neither side could add a tally in the face of the superb twirling of the two left-handers, "Rube" Marquard and Ray Collins. The Boston southpaw had been called to the firing line after the Giants had touched off an explosion of hits off "Buck" O'Brien's moist ball. The fusillade of hits came with such suddenness that for the first time in the series Boston was unable to meet the attack of the New Yorks.

Two crisp doubles, four steals, a balk by O'Brien and a double steal netted New York five runs in the first inning. Oddly enough, the four singles garnered by the Giants were slow infield rollers, which on the soggy diamond were difficult to handle.

Boston made its tallies in the second on Marquard's error on Gardner's grounder, a hit by Stahl and a two-base smash by Engle, who batted for O'Brien.

The Bostonians fought gamely to overcome the lead of five runs. The Red Sox made two tallies in the second, but their attack was broken in the third with a brilliant catch by Snodgrass. This play was the turning point in Boston's offense.

Stahl had made first on a hit when Wagner drove a screaming liner to deep centre. Snodgrass turned and ran toward the fence. The drive looked good for a home run and Stahl was rounding second with Wagner turning first when Snodgrass caught the ball as it came over his shoulder. That ended Boston and with the exception of the eighth Marquard sent the Red Sox back to the bench in one-two-three order in every inning.

While no announcement of battery selections for Tuesday's game were made before the clubs left the city, it was generally believed that Wood would twirl for Boston, while Mathewson, with a two days' rest, would be found in the box for New York. The total paid attendance at today's game was 39,622, and the total receipts amounted to \$66,654, of which each club received \$29,994.39. The national commission's share was \$6,665.16.

### WAR GROWS BIGGER.

**GREECE SENDS IN ITS ULTIMATUM.**

**D-demands Immediate Release of Vessels Seized by Turkish Government—Fighting on Montenegrin Frontier.**

London, Oct. 14.—General war in the Balkans can not be delayed much longer in the opinion of authoritative circles here. Greece has handed an ultimatum to Turkey demanding the release within 24 hours of the Greek vessels which have been seized in large numbers by Turkey. This the Turkish government will, it is believed, certainly decline to do. A refusal will be the signal for war between the two countries.

Fighting continues all along the Montenegrin frontier.

### THE FINAL STEP BY GREECE.

**Note Demanding Release of Vessels Also Calls for Indemnity for Their Seizure.**

Athens, Greece, Oct. 14.—The release within 24 hours of the Greek vessel confiscated by Turkey is demanded today by the Greek minister at Constantinople.

In the note which he hands to the Turkish government, the payment of an indemnity to the owners of the vessel is also demanded.

### WON'T ALLOW INTERVENTION.

**Turkish Government Declines to Accede to Powers' Proposal as to Macedonia.**

Constantinople, Oct. 14.—The Turkish government declines to allow the powers to intervene in the question of Macedonian reforms.

In its reply to the representatives of the powers was handed to the Austro-Hungarian ambassador here this morning. While thanking the European nations for their friendly interest in the Balkan situation, which the Ottoman government recognizes, they have exercised in behalf of peace, the reply says that Turkey is determined to carry out the promised reforms but can not tolerate any foreign interference.

### SERVIANS SURPRISED.

**Message to Repulse Turkish Attack on Frontier.**

Belgrade, Oct. 14.—A dispatch from the frontier says Serbian troops were surprised today, but repulsed the Turkish attack.

### CHURCH RAISING FUNDS.

**Over \$10,000 Contributed in Harmony Presbytery.**

The Presbyterians have another canvass on in their effort to raise \$200,000 for their three educational institutions in this State—this time in Harmony Presbytery.

The preliminary work closed with the usual banquet at Manning in October. The cause was helped forward by an enthusiastic service in its behalf at the regular fall meeting of presbytery at Olanita last week.

Sunday 15 visiting ministers preached special sermons in 27 of the churches of the Presbytery formally launching the canvass. Yesterday a majority of the pastors, elders and deacons were busy at work securing subscriptions and last night 16 of the churches reported to headquarters in this city that they had raised \$10,361, which is a highly encouraging days work.

The following are the reports received:

- Hebron, \$59; Manning, \$1,498; Pinewood, \$199; Summertown, \$512; Camden, \$606; Magesville, \$882; Mr. Zion, \$3,496; Midway, \$236; Sardinia, \$277; McDowell \$609; Williamsburg, \$425; Wedgefield, \$759; Lynchburg, \$158; Lake City, \$205; McGill Memorial, \$257; Hepzibah, \$297. McDowell church raised its full apportionment the first day, while Summertown and McGill Memorial exceeded theirs. It is known that several churches have done well in securing subscriptions that have sent in no formal report. The Bethune group has probably completed its canvass and sent their reports in by mail. The minister who spoke at Indiantown church said they raised \$809 last Sunday. Brewington church has raised part of its apportionment and so have a number of other churches. The indications are that fully one-half of the \$25,000 that the presbytery is asked to raise was subscribed by last night, if this be true then they have surpassed the record of all the presbyteries a \* record of all the presbyteries where the campaign has been conducted. The canvass will proceed day by day until the 21st instant, or eight days in all. Columbia State

Mrs. W. H. Smith, of Charleston, and mother, Mrs. Reid, passed through the city Wednesday morning on their way to St. Charles.

### PEACE TREATY SIGNED.

**TURKEY AND ITALY AGREE TO PROTOCOL WHICH WILL END WAR.**

**Turkey Yields After Long Struggle for Better Terms—Exact Stipulations of Pact are Not Known and Will Not be Known Until End of Week.**

Lucerne, Switzerland, Oct. 15.—After months of diplomatic strife for better terms Turkey surrendered this evening and the Ottoman and Italian plenipotentiaries signed the protocol of a peace treaty which ends the war between Italy and Turkey, and, incidentally, relieves the Ottoman empire of a crushing handicap in the forthcoming struggle in the Balkans.

The precise terms will not be available until a definite treaty is signed at the end of the week, probably at Lausanne. Their tenor, however, is well known. The treaty will provide for absolute sovereignty of Italy in Libya without formal recognition there of Italy by Turkey; free exercise of religious authority by the khalif; Turkey to withdraw her regular troops from Libya; Italy to pay an indemnity equivalent to Libya's contribution to the Ottoman treasury; restitution of the captured islands to Turkey, with guarantees for the Christian people; no indemnity payable by either side toward the cost of war, and re-establishment of former diplomatic and commercial relations.

During the last week there has been doubt to whether the war, which has lasted for more than a year, would be brought to a peaceable close. Italy's time limit for the conclusion of peace expired October 12, but on that day she granted three days' grace to Turkey to decide whether it should be peace or a continuance of the war. A definite understanding was reached yesterday when, on the arrival of a special message from Constantinople, a conference took place between the delegates representing the two countries.

Italy declared war against Turkey on September 29, 1911, and promptly invaded Tripoli. A blockade of the coast of Tripoli and Cyrenica was begun by the Italian fleet. Various coast towns were bombarded and in a naval battle many of the Turkish ships were crippled. Severe engagements have occurred between the Italian troops and the Turks and their sent armies with large losses on both sides. The coast is now held by Italy while the Turkish and Arab armies are in the interior.

### WILL SEND ULTIMATUM.

**Balkan States Almost Sure to Address Mandatory Note to Turkey During Day.**

London, Oct. 15.—Turkey's refusal to reply to the note of the Balkan states will, in all probability, impel these states to address an actual ultimatum to the porte tomorrow before commencing hostilities. The ministers of Bulgaria, Serbia and Greece are still waiting in Constantinople, although diplomatic relations are virtually ended because of the recall of the Turkish ministers from Sofia, Belgrade and Athens.

The conclusion of peace between Italy and Turkey removes much of the uneasiness felt in Europe as to the consequences of the Balkan war. The German foreign secretary referring to this at Berlin today said it would facilitate the localizing of the war.

The only additional military news reaching here today told of the capture of the fortress at Haums by the Montenegrins.
