

# Will You Spend ONE DOLLAR to Elect Wilson President?

How deep is your conviction that this government ought to be in new hands, in clean hands?  
 How much are you in favor of a clean slate from Wilson and Marshall clear down the line to the very smallest offices in your locality?  
 The Democratic National Committee has every reason to believe that every progressive voter is willing to spend a dollar to elect Wilson and Marshall and their ticket. And that thousands are anxious to contribute to the Wilson Campaign Fund in amounts of \$2, \$5, \$10 and \$20.  
 To such we make our appeal. To such we must look for victory.

## Time An Important Factor

This is another case where time is money. The enemy have their funds—supplied instantly by the interests.  
 We have only a few days and contributions to be effective must be received at once.  
 There is no question of the money of the People being able to defeat the money of the Trusts.  
 Because it is greater even in volume and will be used in straightforward telling ways.  
 But to be effective it must be received and used within the next few days.  
 Quick action is absolutely necessary. Let us have your contribution or the list you make up from your friends and co-workers today if possible, tomorrow sure.

## How Your Money Will Be Spent

Woodrow Wilson, our standard bearer, has never had the time or disposition to talk about himself.  
 He has never used spectacular methods to place himself in the spotlight.  
 His greatest work has been done without ostentation, in the most expeditious, dignified manner.  
 The great mass of voters do not know what a really great man Wilson is. They do not know all he has done. They do not understand all the features of his platform. We must tell them.  
 To educate this great nation of voters, especially the clear thinking Independent Democrats, Republicans and Progressives who choose their leader on his merits, means the expenditure of a vast amount of money.  
 We propose to use your dollars in just this way—judiciously, and without a penny frittered away for an unnecessary item.  
 We know you have confidence we will do this thing—and successfully.

## Why the Dollar Counts

In this campaign the issues lie between the forces of Representative Government and Popular Government.  
 In Representative Government only a part of the people have influence—those with no political faith, who spend fortunes in any direction where their own ends are furthered for money.  
 In Popular Government all the people have influence, because their executives and legislators do not dare to thwart the expressed will of the people.  
 Representative Government, as ever, this year is being supported by the money of the interests. It is being spent lavishly to give the voters a wrong impression of Wilson.  
 Popular Government, this year, to win, must depend on the truth being told about Wilson. We must publish his record and platform broadcast so that no one can controvert it.  
 Your \$1, your \$2, your \$5, your \$10 or \$20 will count and count to win if spent in this work.

## Head a List For the Fund

## BALKAN WAR NOW GENERAL.

GREECE JOINS ALLIES IN WAR ON TURKS—SERVIA FIRST TO ACT.

Turkey Takes Initiative Against Sister States Which are Ready to Meet Any Advance of Turkish Armies.

Athens, Greece, Oct. 18, 2:30 A. M. Greece, not wishing to detach herself from her allies, sent instructions early this morning to the minister at Constantinople to communicate a declaration of war to the Porte. Greece at the same time sent a fraternal greeting to the allied States.

Servia was the first of the three States to declare war last night. Bulgaria followed a similar declaration.

### Turkey Takes Initiative.

London, Oct. 17.—War today became general through the Balkan peninsula. Turkey, already engaged in fighting Montenegro, this morning issued a formal declaration of hostilities against Servia and Bulgaria.

Greece, supposed to be in sympathy with Servia and Bulgaria, was not mentioned in the declaration. The Greek minister has not been asked to leave the Turkish Capital. The Turkish minister, however, left Athens. It is also announced that fighting between the Turkish and Greece armies has begun on the frontier.

In the declaration of war, Turkey places the blame on Bulgaria and Servia. Although Turkey has anticipated the Balkan States and ordered a simultaneous advance of her armies against Bulgaria and Servia, it is expected that the Servians and Bulgarians will be ready to meet the Turkish invading force by the time it reaches the frontier. Turkey's withdrawal of her troops from the immediate vicinity of the Greek frontier and the omission of Greece from the declaration of war were doubtless dictated by Kaimil Pasha, president of the council of State, and the real head of the Turkish Government.

He wants to avoid a fight with Greece, whose interests, as he recently told the Greek premier are identical with those of Turkey. He also desired to cede the Island of Crete to Greece.

There is an inclination among military men to think the importance of the Montenegrin victories has been exaggerated. The Montenegrins are fighting desperately, but they neglect the commissariat service and the hospitals, which are essential in such a campaign.

### Turks Start Fighting.

Constantinople, Oct. 17.—Hostilities were opened at half-past 2 this morning by the Turkish troops at various points on the Bulgarian and Servian frontier.

The divisions of the Turkish army were ordered to make a simultaneous forward movement.

In giving the order for a general advance the Ottoman war minister mentioned only that the movement was to be made against the frontiers of Bulgaria and Servia.

There is a powerful Turkish army concentrated near the Greek frontier, but this has not yet been put into motion.

The Ottoman Government this morning handed the Servian and Bulgarian ministers here their passports and they will leave immediately.

A note addressed by the Turkish Government this morning to the Bulgarian and Servian legations here said it was impossible to maintain peace any longer, notwithstanding that it was the ardent desire of the Porte to do so. It was, therefore, obliged to put an end to the missions of the Bulgarian and Servian legations, and the diplomats were invited to leave Constantinople at the earliest moment.

The note stated that the step was taken in consequence of the recent note handed in to the Turkish Government by the Balkan States, which Turkey considered constituted an interference with her internal affairs. A second factor was the mobilization undertaken by Servia and Bulgaria, and the third reason was the daily skirmishes on the frontier.

### Not Agreed Plan.

London, Oct. 17.—The "Daily Times" correspondent of the Times says:

"So far from Montenegro having begun the war as part of the allies plan, the Bulgarian and the Greek Governments addressed remonstrances to King Nicholas against precipitate action. The Montenegrin King, however, was resolved not to let pass the opportunity to begin a war which had been foreseen for many years, and the conduct of which he was reluctant to leave to posterity."

### Red Cross Funds.

Washington, Oct. 17.—One thousand dollars is at the disposal of American Ambassador Rockhill, at Constantinople, for the aid of the Turkish Red Crescent Society, to be drawn upon from the funds of the American Red Cross. A similar sum can be drawn upon from the same source by the Red Cross Society of Greece.

## CRIMINAL COURT ABJOURNS.

LARGE NUMBER OF CASES ON DOCKET CONTINUED UNTIL NEXT TERM OF COURT.

Murder Trial Set for Friday, Witnesses Come, but No Court—Most of Continued Cases Are for Violation of Prohibition Law—Appeals from Recorder's Court—Mr. Moise Bases Fine Point of Law.

The Court of General Sessions adjourned Thursday afternoon after a number of appeals from the recorder's court had been heard and other business attended to. The cases on the docket, of which there were more than twenty, were all continued except one which was not passed by the Solicitor.

Most of these cases were for violation of the prohibition law and came in that class which the Grand Jury recommended should be placed in the jurisdiction of the magistrates.

One murder case was set for Friday, the case of the State vs. Oneal Jackson, and Friday morning several of the witnesses in the case who had been summoned arrived in town and appeared at the court house ready to testify in the case and were surprised to find that court had adjourned. County Clerk Parrott, however, was obliged to appease their feelings by giving them their check as witnesses and allowing them to go much earlier than they had expected to get off.

The case of Isalah Rees which was commenced Wednesday evening was concluded Thursday afternoon, the jury returning a verdict of guilty of assault and battery of a high and aggravated nature, whereas the charge was assault and battery with intent to kill. Rees was sentenced to pay a fine of \$100 or to serve 3 months.

Philomena Odum, who had been found guilty Wednesday of larceny from the person, was sentenced to serve an 18 months sentence in the State penitentiary.

Glenn West plead guilty to violation of the prohibition law and was sentenced to pay a fine of \$100 or to serve one month. Seventy-five dollars of the fine was suspended during good behavior.

During the two weeks court continued there were five convictions. R. M. Sanders plead guilty to forgery and Glenn West plead guilty to violation of the prohibition law and Moses Holmes was found guilty of simple

assault and battery, Philomena Bossard was found guilty of larceny from the person and Isalah Rees was found guilty of assault and battery of a high and aggravated nature. All other cases which were tried resulted in acquittals.

The cases for violation of the prohibition law which were continued were:

The State vs. Harry Sanders, Rees B. James, Oneal Jackson, Carrie Smith, Henry Watts, Mitchell Smith, Frank Anderson, Susanna Watson, Carrie Ramsey, alias Mattie Wright, Charles Lane.

Other cases continued were:

Hardy Johnson, housebreaking and larceny; Henry Watts, disturbance of religious worship; John P. Smiling, discharging firearms at dwelling house; Oneal Jackson, murder; G. H. Burgess, obtaining goods under false pretenses; Robert Davis, resisting an officer, assault and battery with intent to kill and carrying concealed weapons; Alex Ballard, false packing cotton; C. Sadler, assault and battery of a high and aggravated nature; Henry Smith, assault and battery with intent to kill; W. W. Williams, alias, W. W. Slaton, assault and battery with intent to kill; Cephas Toney, murder.

A number of appeals from the Recorder's court were heard and in every case the judgment of the lower court was affirmed.

City of Sumter vs. H. D. Moise, appeal from Recorder's court. Mr. Moise was fined for riding a bicycle on a sidewalk at night without a light. He stated that there was no ordinance in the city covering the point of riding a bicycle on a sidewalk without a light; there was an ordinance against riding a bicycle on certain sidewalks and there was an ordinance against riding a bicycle on the street at night without a light, but there was no ordinance making it a misdemeanor to ride a bicycle on a sidewalk without a light. Judge Spain listened to Mr. Moise's argument, but sustained the ruling of the Recorder. He stated, however, that this was quite a fine point of law and that Mr. Moise might take it up to the State Supreme Court. Mr. Moise represented himself and Mr. Clifton appeared on behalf of the city.

The next appeal from the Recorder's court was in the case of the City of Sumter against Marcus Bossard for violation of the prohibition ordinance. Mr. D. D. Moise appeared for Bossard and Mr. Clifton for the city. Again the Recorder's sentence was sustained.

Appeals of E. L. Parker and Lafayette Anderson, found guilty of violation of the city prohibition ordinance, were also heard and the judgment of the lower court sustained.
