**A Sale Strictly to Get Business**

Not to raise money or unload old goods—we have plenty of money and no old stock—we want to boost this business and the only way to do this is to get you inside the store. Be sure that you have the right place—Look for the Red Umbrella. Be sure before you step in, a mistake in the store may cost you a good many dollars. If you know merchandise you will be astonished at the values here—if you don't know merchandise you can buy here with absolute confidence.

**Money Talks.**

Our Mr. Krasnoff is always on the lookout for Bankrupt stocks—Please don't get that word BANKRUPT confused with SALVAGE. By Bankrupt stocks we mean regular stocks of merchandise—new goods—where the owners are in money difficulties and must unload right now for Spot Cash. This is the kind of goods Mr. Krasnoff buys and brings to Sumter.

**Blankets--A Warm Proposition in Cold Weather.**

—But no warmer than the proposition that we are making you right now—a look inside the store will convince the most skeptical.

**WE'VE GOT IT.**

No matter what you need--no matter what any member of your family needs--we've got it--and we've got plenty of it--not a dinky little line to select from, but lots of it--every line is full and overflowing--if one thing don't suit there's hundreds of others to select from. The Merchandise is the Best in the Land. Merchandise that is known from one end of the land to the other--merchandise that would do credit to any store--merchandise that is today bringing two or three times the price that we ask right here in Sumter--FACTS--We Can Prove This to You.

**Goods to Back up the Assertion that we undersell all others**

Not our word for this--we don't ask you to take that--not for a minute--we ask you to inquire among your neighbors and friends who have been trading here--see what they say--then if you are still skeptical--still think that we are slinging "HOT AIR"--just drop in where you see the Red Umbrella--Be sure you get the right place or you'll be disappointed, for no matter what other stores claim, they are not in position to give you the same values that we do.

**SPOT CASH**

We must get this before you plainly for that's our only terms--Cash makes it possible for us to offer you these values, and of course we must have the cash when we sell them, and you'll pay the cash and never murmur. Other stores will try to lead to a bargain just as good--BUT BEWARE--they can't deliver the goods--they don't own the goods as cheap as we do, and that cuts a lot of ice when it comes to the selling and putting the quality there, and believe us we do put the quality along with each and every purchase that you make here. Be sure that you get one of our Big Circulars, it's the Greatest Bargain Sheet ever shoved off the printing press.

**IT'S YOU THAT WE ARE TALKING TO---**

You personally, and we are anxious to have you come to our store today, to-morrow or any other day during this Great Creator Sale which will continue for 13 days, the first day being Saturday, January 10th. Can't you be here. You don't have to buy--No--Come just to look--'twill do you good.
