Attest: R. L. McLEOD, Clerk County Commissioners. P. M. PITTS, County Supervisor.

Concord, Jan. 16.—Immediate bail was denied Harry Thaw in the decision today by Judge Aldrich of the United States district court of New Hampshire. He ruled that the bail question must await the result of a habeas corpus hearing.

"Do you begin to cough at night, just when you hope to sleep? Do you have a tickling throat that keeps you awake? Just take Foley's Honey and Tar Compound. It will check the cough and stop the tickling sensation at once. Does not upset the stomach, is best for children and grown persons. Sibert's Drug Store. —Adv.

Worms the Cause of Your Child's Pains.

A foul, disagreeable breath, dark circles around the eyes, at times feverish, with great thirst; cheeks flushed and then pale, abdomen swollen with sharp cramping pains are all indications of worms. Don't let your child suffer—Kickapoo Worm Killer will give sure relief—it kills the worms—while its laxative effect add greatly to the health of your child by removing the dangerous and disagreeable effects of worms and parasites from the system.
