

SUMTER WINS THIRD GAME.

IN EXCITING EXHIBITION CHARLESTON HIGH LOSES, 13 TO 6.

Game Featured by Long Runs by Reynolds for Charleston and Boyle for Sumter, Each Scoring Touchdown—Teams Evenly Matched.

News and Courier.

The Sumter high school eleven triumphed over the local High school here yesterday afternoon by the score of 13 to 6. Outplayed in the first quarter the Maroon squad came back strong in the second quarter. By a brilliant 75-yard run of Reynolds they score a touch-down in the third quarter. With the score 7 points against them in the fourth period they gave a great demonstration of the "fighting spirit" and rushed the pigskin to within three yards of Sumter's goal line when time was called. With a minute and a half to play the score would have been tied perhaps. However, as there was no minute and a half the only thing the local lads derived from their wonderful spurt was confidence and a feeling of "well done."

The lines of the two teams were about evenly matched. Toward the end of the contest the Sumter line strengthened and only short gains were able to be made through it. During the first quarter long end runs by the up-Staters proved great ground-gainers, but during the latter part of the game the runners were nailed time after time back to the line for considerable losses. This attack proved sufficient to register a touch-down in the first quarter, for with the ball in their territory, Burns ripped off nine yards around end. Bradham followed with eighteen, and Burns added to this total with ten more. A play through the line gained nothing, but Burns peeled off five around end. Boyle was then given the ball and skirted the end for twenty-two yards and a touchdown. Flowers kicked goal.

In the second quarter Charleston had all the better of the argument, but could not score. A great amount of this may be attributed to the failure of the many attempted forward passes. On numerous occasions did this play fail to work. Lack of effort on the part of the ends and the lack of a competent passer was noticeable.

The quarter ended with the ball in Sumter's territory.

At the beginning of the second half the local squad seemed to find itself and began fighting in earnest. Shortly after the period had begun Reynolds ripped his way through tackle and went over the line for a touch-down. The run was the feature play of the afternoon, the ball being carried seventy-five yards by the brilliant half. Gaillard failed at goal.

Not to be outdone by his rival Boyle shortly afterwards went over tackle and ran sixty-three yards for the second touchdown for Sumter. Flowers failed to kick goal. Reynolds and Hudson made a number of sensational runs around the ends and through the line during both this quarter and the fourth period. Reynolds particularly distinguished himself. A number of fumbles by Hudson marred his good work.

In the fourth quarter the Charleston High carried the ball within three yards of the goal line, but the time-keeper stopped the game just as the ball was ready to be snapped and Sumter had won.

For the Sumter team Boyle was by far the most brilliant performer. Bradham also played well and Burns showed up excellently at times. Flowers at end made a number of good tackles and put up a rather neat game. W. Shaw at centre worked hard.

Reynolds was the most consistent performer for Charleston and played a great game. Hudson got away for several long runs. Lillenthal was conspicuous for his tackling. The local team showed up well and put up a remarkable game for the first of the season.

Forward passing by both sides was conspicuous for its numerous failures, working only twice out of thirteen attempts. One double pass back of the line was worked successfully by Sumter.

The line up: Charleston High School, Murchison, left end; Humme, left tackle; Middleton, left guard; Colson (captain), centre; Epstein, right guard; Lillenthal, left tackle; McDermitt, right end; Reynolds, left half; Hudson, right half; Stender, fullback; Gaillard, quarterback.

Sumter: Flowers, left end; Dick left tackle; Allen, left guard; W. Shaw, centre; Durant, right guard; G. Shaw, right tackle; Brown, right end; Burns, left half; Bradham, (captain,) right half; Boyle, fullback; Spann, quarterback.

Substitutions: Charleston, Stender for McDermitt; Hankle for Stender; Beals for Lillenthal; Lillenthal for Beals. Sumter, Yates for Brown; Monaghan for Burns. Touchdowns, Boyle, 2, Reynolds. Goals from touch-down, Fowler. Referee, Foster.

(Hampton-Sydney.) Umpire, Pinckney (Clemson.) Head linesman, Stoner (Sewanee.) Time of quarters, 15, 12, 15, 12.

JUDGE ORDERS REVERSAL.

Circuit Judge Sustains Action of Dorchester County Committee in Election Contest.

St. George, Oct. 22.—In a decree handed down by Judge Mauldin the circuit judge decides that the State Democratic executive committee erred in throwing out the Dorchester poll at Summerville in the recent primary and the action of the county committee in the contest is sustained. The decision affects the offices of auditor and superintendent of education of Dorchester county. By the ruling, T. H. Abbott becomes the nominee for auditor and Joseph Parlor for superintendent of education. Under the ruling of the State executive committee P. L. Moorer was nominated for auditor and J. J. Howell for superintendent of education.

A charge of fraud in the ballots cast at Dorchester poll was made before the county executive committee and investigation showed that irregular votes had been cast. The county committee took the position that only the irregular votes should be thrown out. The case was appealed to the State committee, where the entire box was thrown out. This reversed the action of the Dorchester committee in declaring nominees.

The case was carried into the circuit court, where argument was had before Judge Mauldin at Orangeburg last week. The decision by the circuit judge places the situation where it was before the appeal to the State committee and the action of the county committee is confirmed while that of the State committee is overruled.

It is understood that a further appeal will be taken from the ruling of Judge Mauldin.

AGRICULTURISTS SEE CLEMSON.

Automobile Tour of College and Experiment Stations is Enjoyed by Southern Association.

Clemson College, Oct. 22.—The Association of Southern Agricultural Workers continued its session here today and tonight with general and sectional meetings. This afternoon was spent largely in an automobile tour of Clemson college and the experiment station plants. Tonight after a general meeting a smoker was enjoyed by the members and the Clemson faculty in the college parlors. The election of officers and the selection of the place of meeting will take place Friday morning and the conference will adjourn its last session at noon.

INQUIRY ON COTTON PROBLEM.

Senator Smith on Committee to Make Investigation of Marketing.

Washington, Oct. 22.—Senator E. D. Smith was one of five senators named in a resolution which the senate passed today authorizing them to confer with the government departments with reference to interference with markets for lint cotton and cottonseed oil and to report to the senate as early as possible the result of their investigations.

Since it became apparent some time ago that the present trouble abroad would seriously interfere with this trade, Senator Smith has been active in seeing that everything possible be done to remedy the situation. He has had a number of conferences with officials here and will continue his efforts until there are results.

CAR TURNS TURTLE.

H. L. Flagg Suffers Serious Accident at Belton.

Belton, Oct. 22.—H. L. Flagg met with a painful and serious accident early this morning by his automobile turning turtle as he was coming into town on Brown avenue. Mr. Flagg was thrown out of his car and one of his arms sustained a compound fracture just above his wrist, his hip dislocated and severe bruises on his head and face. He was removed to his home in the Long Branch section, seven miles south of Belton. If there is no internal injury he will recover. Mr. Flagg stated the accident was so sudden and unexpected he did not know what caused it. A young man, Mr. Wright, was in the car with him but he escaped with some minor bruises.

ACCEPTS PEACE PACTS.

Senate Ratifies Two Commission Treaties.

Washington, Oct. 22.—The senate today ratified peace commission treaties with Paraguay and Sweden and a treaty with the Republic of Panama fixing the boundaries of the canal zone. The Panama treaty embodies the boundary agreement fixed in 1904 by Gen. George W. Davis, then governor general of the canal zone, and representatives of Panama.

DISORDER IN LOWER HOUSE.

EVENING SESSION OF REPRESENTATIVES CHANGED TO "ROUGH HOUSE."

Wilburn and Hardin Flay Unruly Members for Disrespect to Presiding Officers and Order for Adjournment is Secured.

Columbia, Oct. 24.—The house "rough housed" for 40 minutes last night and then adjourned until next Monday night at 8.05 o'clock. The session of the body last night was one of the most disorganized and undignified that has been held during the last three years. C. T. Wyché of Newberry, speaker pro tempore of the house, was in the chair. He asked J. S. Wilson of Lancaster, sergeant-at-arms of the house, to enforce order twice, but there was no abatement of the noise and disregard of the rules of the house until Mr. Wilburn of Union and Mr. Hardin of Cherokee appealed to the better nature of members of the house, asking them to consider the physical condition of the speaker pro tempore and preserve the proprieties. Mr. Hardin made an especially strong speech, recalling the fact that the speaker pro tempore was stricken with paralysis during the last session of the house while in the chair. Mr. Wilburn, too, expressed his indignation at the method of procedure.

The disorder in the house last night beggared comparison. Nobody knew what it was all about and nobody seemed to care until chaos had lasted for about 20 minutes, during which members vied with each other in the attempt to shout loudest at the chair. The session was a yelling contest in high C, during which the gavel of the speaker pro tempore was absolutely disregarded and no attention was paid to the rules of parliamentary procedure, with which the members of the present house should be well acquainted, in view of the fact that this is their third session.

It must not be understood that all the members of the house indulged in the orgy of disorder last night. Certain members did, though, and seemed to enjoy it. It is impossible to give their names with any degree of accuracy.

One of the citizens of the State, who was in the gallery last night while the house was forgetting itself, said as he was leaving the State house: "The people ought to know about this. I am a farmer and a taxpayer, and I expect to do everything I can to let them know."

Of course there were apologies after it was all over and Mr. Wilburn and Mr. Hardin had scored the house for its behavior. The apologists said that they intended no disrespect for the speaker pro tempore, but that they wanted to keep the house in session and force some of the issues before it.

The session of the house last night was opened by a motion from Mr. Hardin of Cherokee to adjourn debate on the McLaurin warehouse bill until next Monday night at 8.30 o'clock. On a roll call the house agreed to do this by a vote of 62 to 17, after there had been an appeal from the ruling of the chair that ten members did not second the demand for an aye and nay vote, made by Mr. Evans of Marlboro on the question of laying the motion on the table. The house sustained the decision of the chair on Mr. Evans' appeal.

At 8.20 o'clock Mr. Evans of Marlboro moved that the house adjourn. His motion was lost. On motion of Mr. Nicholson of Greenwood the house agreed that when it adjourned it would stand adjourned until Monday night at 8.05 o'clock. The house then adjourned debate upon the Miley cotton warehouse bill until Monday night at 8.30 o'clock. At 8.40 o'clock the house adjourned until Monday night at 8.05 o'clock on motion of Mr. Walker of Union.

Indescribable confusion reigned in the intervals between the making and the putting of the motions noted above. The speaker beat almost a continuous tattoo for order on the desk with his gavel and asked the sergeant-at-arms to help him.

It is hard to see how the journal clerk will be able to make an adequate record of the session last night. There was little observance of the rules of the house and of parliamentary procedure and no observance by some of the members of the rules of decorum. There were very few spectators in the galleries last night and a bare quorum of the members of the house was in attendance. The 40-minute session last night will be remembered for a long time as the rowdiest in which the members of the house of representatives of the general assembly of South Carolina have indulged for a long time.

Belgian King and Queen with Army.

London, Oct. 23.—A dispatch from Amsterdam to Reuters Telegraph Co. says that the newspaper Handelsblad, of that city learns that the Belgian king and queen are still with the Belgian army.

MANY EVADE INCOME TAX.

Internal Revenue Bureau to Push Campaign Against Those Who "Shy."

Washington, Oct. 22.—Unless experts who aided congress in framing the income tax law were greatly in error, 140,000 persons with taxable incomes have evaded the internal revenue collectors. Figures made public tonight at the treasury department show 357,593 returns, while congress designed the law on estimates that there were 25,000 taxable incomes. These estimates did not include incomes between \$3,000 and \$4,000 on which 79,126 returns actually were made, so that the total discrepancy is 116,828.

The internal revenue bureau's campaign to detect dodgers has been pushed vigorously and it was understood tonight that results might be forthcoming.

As a revenue producer the law has fallen considerably below expectations, turning in about \$28,000,000 for the payable 10 months of last year, instead of \$45,000,000 expected.

Not a single class of incomes lived up to the expectations. In the \$5,000 to \$10,000 class the discrepancy was greatest, the estimates being 178,000

and the returns 191,718.

Forty-four returns were made on incomes over \$1,000,000; 81 on incomes between \$500,000 and \$1,000,000; 222 on incomes between \$250,000 and \$500,000, and 1,211 on incomes between \$100,000 and \$250,000.

PLEDGE MILLION FOR COTTON.

Little Rock Firm Subscribes One-third of Arkansas' Quota of Fund.

Little Rock, Ark., Oct. 22.—One million dollars already was subscribed today by wholesale and jobbing firms towards the \$3,000,000 to be raised in Arkansas for the \$150,000,000 cotton pool. A tentative pledge of not less than 10 per cent. of the capital of the various concerns who subscribed was drawn up. Next Tuesday the Arkansas Bankers' association will discuss similar action.

The Right Kind of Farmer.

This morning Mr. J. P. Creevy came in town with a load of watermelons, string beans, tomatoes, peppers and on the front piazza, and upon investigation found a sure enough baby well wrapped and healthy. The child was left there by unknown parties, and is now in possession of Mr. Mitchum, who will take good care of it.—Manning Times.

TALK BONDS WITH SECRETARY.

Legislative Committee Now in Washington.

Washington, Oct. 22.—Senators Eble and McCown arrived here today to confer with Secretary McAdoo regarding the availability of proposed cotton bonds in South Carolina. They will be joined tomorrow by Representatives Stevenson and Dick.

Mr. Eble said tonight that as Senator Lever and Congressman Lever had been closely confined to the capitol all day with the cotton bills here nothing had yet been done. He also said that informally the matter had been discussed with Mr. Lever and Senator Smith, but that as no conference has yet been had with Secretary McAdoo there would be nothing for publication until tomorrow.

Found Fine Baby.

One morning last week when Mr. Edgar Ditchum, who lives at Bloomville awoke, he heard a baby crying on the front piazza, and upon investigation found a sure enough baby well wrapped and healthy. The child was left there by unknown parties, and is now in possession of Mr. Mitchum, who will take good care of it.—Manning Times.
