## GREAT EVANGELIST COMING.

REV. BOB JONES CLOSING GREAT REVIVAL IN INDIANA WITH 1916 CONVERTS.

Evangelist of National Reputation Who Will Conduct Meeting in Sumter April 25 to May 23rd Accomplishing Wonderful Work in Middle West.

Rev. Bob Jones, of Montgomery, Ala., who is ranked among the four greatest evangelists of the United States will conduct a meeting in Sumter for one month beginning April 25th under the auspices of the Sumter Ministerial Association. More than a year ago the association invited Mr. Jones to hold a meeting in Sumter, but he had engagements so far ahead that the first open date he had was for the month beginning April 25th, 1915. For the past several months he has been conducting meetings in the middle west and is now in Crawfordsville, Ind. He closed a meeting in Hartford City, Ind., last week, which was productive of a genuine religious revival of remarkable influence. The following account of the closing of the meeting is taken from the Hartford City Times-Gazette:

It's all over and done with, or it has only just begun, one or the other is true.

"Bob" Jones and his crew of workers have left Hartford City after conducting the most remarkable religious campaign ever waged in Hartford City and winning 1,916 souls to Jesus Christ. The emotional excitement which four weeks has held Hartford City in its grip, reached its climax Sunday evening when the big campaign came to an enthusiastic end. Time alone will tell whether Hartford City's religious awakening reached its summit Sunday or only just got a good start.

The close of the tabernacle meeting Sunday evening came at the end of a memorable service. With the choir singing "God Be With You Till We Meet Again" and the 4,000 people in the building giving the evangelist the chautauqua salute, the biggest series of gatherings that Hartford City or any other town of its size in Indiana has ever known, came to a close. There was a great meeting at the tabernacle Sunday evening but the other services Sunday were also momentous ones. The building was crowded to the doors Sunday evening. It was literally packed and hundreds were unable to get a seat. It is estimated over 1,000 were turned away.

When the men's meeting closed Sunday afternoon many men remained in the building and there were many women waiting to get inside. A number of the women carried baskets of lunch and ate their suppers in the tabernacle. At 5 o'clock the big building was almost half full and at 6 there were few seats left. It had been announced that the service would begin as soon as the building was packed and the promise was kept. At 6.30, an hour earlier than customary, the services were started. There was not an inch of standing room unoccupied. After one of the most interesting and impressive sermons that "Bob" Jones delivered

during his stay in Hartford City 158 converts came forward Sunday evening. The invitation was not prolonged and had the evangelist cared to hold on the evening service might have been continued for hours. After four weeks' work, however, everyone was worn out and the services were reluctantly brought to a close.

The afternoon meeting for men only at the tabernacle was largely attended and Rev. Jones brought a most interesting message. "Bob" Jones is a man's man and he has been at his best at the men's services. His sermon Sunday afternoon was forceful and direct and met with a ready response when 45 came forward.

The Sunday morning service at the tabernacle was attended by an enormous crowd. There was no service in the churches and the tabernacle building was filled to its seating capacity. "Bob" Jones talked on the subject of "Heaven" and 16 converts came forward.

The meetings held at the M. E., Presbyterian and U. B. churches Sunday afternoon were all largely attended. At the Methodist church Mrs. Allison spoke to the women and held a very interesting service. The church was crowded as was the Presbyterian church where Mrs. Meinardi spoke to the girls and held a very impressive and fruitful service. At the U. B. church, Jose, the Filipino spoke to several hundred boys and conducted a most excellent meeting. There were a total of 30 conversions at these three services Sunday afternoon.

The members of the "Bob" Jones party have all left Hartford City. Mr. and Mrs. Jones and son, Bob, Jr., left Monday morning for Indianapolis where they will spend a week resting until the opening of the meetings at Crawfordsville next Sunday afternoon. Mr. and Mrs. Garrett Meinardi left Monday morning for Crawfordsville, going as far as Indianapolis with Mr. and Mrs. Jones. Mr. Meinardi will line things up for a rousing meeting at Crawfordsville and have everything ready for an auspicious opening next Sunday. Mrs. Frances Allison left early Monday morning for her home in Chicago where she will rest for a week. The members of the Jones party made many friends in Hartford City during their stay and the best wishes of hundreds follow them.

"Bob" Jones leaves Hartford City prodded into a feeling of religious concern and there are many guesses as to what the harvest will be. At the meeting for men Sunday afternoon the evangelist again urged the voters present to go after the liquor traffic tooth and toe and judging from the response his remarks met with, agitation to remove the saloons from Hartford City is apt to follow soon. "Bob" Jones says that when men find Christ they vote "dry" and that he believes Hartford City will be in the "dry" column before long.

### WILL ENFORCE NEW LIQUOR LAW.

Sheriff Bradford Says That All Possible Efforts Will Be Made to Keep Whiskey Out.

From The Daily Item, March 13.

Sheriff J. K. Bradford this morning stated that he would do all in his power to see that the recently enacted liquor law was enforced. He would inspect every club in the city and county and see that no liquor was stored there and at intervals in the future, whenever he had cause to believe that there was any attempt to violate the law, he would keep vigilant watch on these clubs which might make attempts to break the new law.

Sheriff Bradford went on to say that he hoped that the people of the county would respect the law and the governor sufficiently to avoid violations themselves and to aid him in preventing any violations by others. The new law went into effect at midnight on Thursday night and is now in force. The new law allows the shipment of only one gallon of liquor a month to any one person, and forbids the keeping of whiskey in lockers at clubs or in clubs, or anywhere except in one's home. Sheriff Bradford will start his inspections in town and then visit all the clubs in the county, assuring himself that there is no liquor in them.

Chief Sawyer said this morning that as there was no city ordinance covering the matter, he did not have authority under the law at present, but he would do his best to see that the law was enforced.

### HARRY THAW ACQUITTED.

But Still Held in Tombs Pending Decision on Motion.

New York, March 13.—Harry K. Thaw and his codefendants have been acquitted in the criminal action for escaping from Mattewan. The jury brought in a verdict shortly after noon. Thaw was returned to the tombs, pending a decision on the motion made that he be returned to New Hampshire.
