THERE WILL BE NO CHAUTAUQUA ON SUNDAY

CHAUTAUQUA WEEK HERE APRIL 21-28.

There Will Be 200 Hats This Year For Chautauqua Week Here

Last year on all Redpath Chautauquas felt hats like those shown in the above photograph proved very popular, especially among the boys and girls. One hundred of these were distributed in every town and were so eagerly received that they did not last long. The Redpath Chautauqua management has just announced that this season it will double the number of hats for each Chautauqua. The color of the hats will remain the same as last year—green or red, with the lettering in white.

WILL ANSWER BANK'S CHARGE

GOVERNMENT WILL FIGHT IN RIGGS PUSHES CASE.

Probable That Many Many Interesting Facts Will Be Brought Out on Stand—Louis D. Brandeis in Charge of Case.

Washington, April 15.—Further evidence that the government expects to have a hard fight on its hands in the injunction proceedings brought by the Riggs National bank against Secretary McAdoo and Comptroller Williams was given today when government counsel announced that a postponement would be sought when the case comes up tomorrow in the District Supreme court.

Louis D. Brandeis, special assistant attorney general in charge of the case, was not prepared to tell tonight just how much time he would ask from the court, but it was indicated that he would seek a continuance of at least a week.

It was believed that the fact that a postponement would be sought shows that the government does not expect to make its main plea against the jurisdiction of the court but will seek to answer the allegations set forth in the bank's bill of complaint, which charges Messrs. McAdoo and Williams with a conspiracy to wreck it and with a long persecution.

If that proves to be the case it is possible that the court will ask for light outside that furnished in the bill and the answer and the arguments of lawyers. That is what those who are following the case are on tip-toe to hear. The witness chair probably will be occupied by most of the bank's officials and some of the most prominent men in official Washington.

At one time or another most of the present treasury officials have had knowledge of interchanges between Mr. Williams and the Riggs bank. Mr. Williams has expressed willingness to go on the stand if asked to do so, and if counsel advises it. Although Secretary McAdoo is confined to his home recovering from an operation, no one in official life doubts his willingness to appear in the case if it reaches the stage where testimony is taken.

Death was practically instantaneous. He was about 50 years old.

BISHOP NORTHPROP ILL.

South Carolina Prelate is in Baltimore Hospital.

Columbia State.
"Bishop Harry Pinckney Northrop of Charleston, S. C., a personal friend of Cardinal Gibbons and one of the most distinguished prelates in the Catholic church in this country, is a patient in the Marburg building at the Johns Hopkins hospital," says the Baltimore American. "It was given out yesterday at the hospital that while Bishop Northrop's condition was not considered dangerous, he is a very sick man. Bishop Northrop arrived in the city on Thursday and was admitted to the hospital shortly after his arrival.

"On January 8, 1882, Bishop Northrop, who had been vicar apostolic of North Carolina, was consecrated bishop of South Carolina at the cathedral in this city, which was filled to its capacity, and hundreds stood in the street in the rain while the procession of prelates passed from the episcopal residence to the church. The ceremonies, which were imposing, consumed four hours. Solemn high mass was celebrated by Cardinal Gibbons, who at that time was an archbishop.

"For many years Bishop Northrop has paid visits to Baltimore, where he has a host of warm friends. One of his closest friends is Mr. Michael Jenkins. They were classmates at Mount St. Mary's college, at Emmitsburg, Md. In 1907 Bishop Northrop celebrated his silver jubilee as a bishop. He attended the consecration of Corpus Christi Catholic church in this city in 1891 and consecrated one of the altars."

BURDENS LIFTED.

From Sumter Backs—Relief Proved by Lapse of Time.

Backache is a heavy burden; Nervousness, dizziness, headache. Rheumatic pain; urinary ills; All wear one out. Often effects of kidney weakness. No use to cure the symptoms. Relief is but temporary if the cause remains.

If it's the kidneys, cure the cause. Doan's Kidney Pills are for kidney ills;

The kind that can be investigated. W. Yeadon, 27 Haynsworth Street, Sumter, says: "I suffered from dull, nagging backaches, and my kidneys acted too freely. I used Doan's Kidney Pills for these ailments, and they relieved me, toning up my entire system." (Statement given Jan. 9, 1911.)

Over four years later, Mr. Yeadon said: "The benefit Doan's Kidney Pills gave me has been permanent." Price 50c., at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Yeadon had. Foster-Milburn Co., Props., Buffalo, N. Y.

500 RAIDS MADE.

Police Squads Have Been Active—Large Quantity of Liquor Seized. Charleston Post.

It was two weeks ago yesterday since the wholesale raiding by the police began. During the past week three squads have been operated, and Chief Cantwell said today that the squads would continue to make their rounds.

A total of about 500 raids have been made in two weeks. Some places after being raided have been re-raided, and Chief Cantwell says this will continue as long as the tigers insist on remaining open. He said that as a result of continuous raiding, a number have closed their doors and that mechanical gambling has been suppressed.

The result of raids for two weeks was 4,381 bottles of beer, 31 kegs of beer, 750 half pints of whiskey, 237 quarts of whiskey, 6 gallons of whiskey, 5 quarts of wine, 27 gallons of wine and 59 slot machines.

For the week ending yesterday, the results are 1,932 bottles of beer, 19 kegs of beer, 136 quarts of whiskey, 375 half pints of whiskey, 4 gallons of whiskey and 2 slot machines. Some 266 raids were made during the week.

Ten Weeks in Bed—Eminent Physicians Failed—Wonderful Recovery.

I wish to inform you of the great benefit I have derived from the use of Swamp-Root. I had been a sufferer for more than twenty years from kidney and liver trouble and was almost constantly treated by the most eminent physicians who could only give me temporary relief. I had been in bed ten weeks when I began the use of Swamp-Root. Inside of twenty-four hours I could see that I had been greatly benefited. I continued to use Swamp-Root until I had used several bottles when I really felt that my old trouble was completely cured and I am positive that any person suffering with kidney or liver trouble can be cured by the use of this preparation.

I am now in the best of health, better than I have been for ten years or more. I do not know how to express myself as strongly as I desire, in favor of Dr. Kilmer's Swamp-Root, as I am sure that it saved my life and that my good health is due entirely to this great remedy. I heartily recommend it to every sufferer and am confident they can be benefited as I have been. It is a pleasure for me, gentlemen, to hand you this recommendation.

Mrs. H. J. Price, 1406 Center St., Portsmouth, O. Personally appeared before me this 13th of September, 1909, Mrs. H. J. Price, who subscribed the above statement and made oath that the same is true in substance and in fact.
