

An official photograph of the club with which the German armies "finish off" wounded soldiers. 32,000 of these were recently captured by the Italians.

The Destruction of Civilization

This is in grim reality what we are fighting this war to prevent. The club pictured above—from an actual official photograph—might be the weapon of a savage cave man of five thousand years ago. It is in fact the weapon with which German soldiers finish off the enemy wounded who have fallen on the battlefield—on the battlefield on

which American boys are fighting.

There is only one answer to make to such methods the defeat of the German Armies. America has taken up the sword to give that answer. Our Army is in France to help win this war on the battlefield—that civilization may be safe, that America may be safe.
