ST. JOSEPH'S COMMENCEMENT.

Fifty-fifth Annual Commencement Held Evening of June 6th.

Venerable St. Joseph's Academy has sent out into the world numbers of wonderful women into many States of the Union to do their work of duty, where they have shown by results—what they had attained at their Alma Mater.

The Class of 1918.

CLASSICAL:
Misses Mary Natalie Darr, Nell Emurel Gillis, Eleanor Jane Hoyt, Florence Spann Jenkins, Margaret Elizabeth James, Miriam Ballard McCrary, Addie Elizabeth O'Riley.

COMMERCIAL:
Misses Bessie Earl Dennis, Janie Evelyn Commins.

PIANO:
Misses Grace Louise Lawton, Patrel Florida Randall.

Florida Randall has tried to keep pace with those of years gone by and they succeeded. During the continued scholastic term, interest in the attempt to reach the high standard never weakened.

Two diplomas were given for music. Miss Lawton and Miss Randall have earned their rewards. They have studied under the Sisters of Mercy for years and the past year, close application of four and five hours each day was given to learn what music is—which is one step higher in the scale of the fine art—the mingled symphony of color, light and shade bursts in to the harmony of sound. Music is the voice of angels speaking to our souls and by its nature tends heavenward. During the last fifty years varying throngs of souls have wandered through the halls of the Convent Home. Some the loving Father has looked upon kindly and gathered early to His Sacred Heart. These too would be remembered, for the absent a wreath of immortelles, for us, a crown of memories.

Each number on the program was much appreciated. The little children in their song, "Pretty Little Song Bird" were a happy feature of the occasion.

Rt. Rev. Bishop W. T. Russell gave a most eloquent address which was highly appreciated by the audience. A copy of the program is given herewith:

EXECUTIVE COMMITTEE MEETING.

Representatives of Sumter County Democratic Clubs Fix Assessments That Candidates Must Pay and Arrange for Campaign.

The Sumter County Democratic Executive Committee met in the Court House at 11 o'clock Saturday morning, May 8th. When the meeting was called to order by County Chairman J. H. Clifton a quorum was present and within a few minutes several other committeemen came in and only three or four clubs were unrepresented.

The first matter taken up was that of fixing the assessments to be paid by candidates. After an estimate of the absolutely necessary expenses of the two primary elections had been made up the assessments were fixed to raise the amount required, allowance being made for the small balance brought over from the last primary. The assessments are as follows:

Senator, \$60.
Representative, \$30.
Judge of Probate, \$25.
Superintendent of Education, \$50.
Magistrates:
Sumter, \$25
Wedgfield, \$20.
Dalzell, \$15.
Privateer, \$10.
Mayesville, \$10.
Shiloh, \$10.
Rembert, \$10.

There was some difference of opinion as to the advisability of holding a series of campaign meetings in the county as heretofore, some members of the committee favoring only one meeting and others the usual number. After a brief discussion Mr. J. E. DuPre moved that the same number of meetings and the same places as in 1916 be held, seconded by Mr. R. B. Dinkins. Mr. W. O. Cain moved to amend the motion by making the number of campaign meetings one only at Sumter. Dr. Parler opposed the amendment and suggested that the places that desired the meetings should have them. Mr. Cain assented to this proposition and a canvass of the committee resulted in the adoption of a motion that county campaign meetings be held at the following places on the dates specified:

Wedgfield, August 9th.
Rembert, August 13th.
Dalzell, August 16th.
Shiloh, August 20th.
Sumter, (at night), August 23rd.
Sumter, August 24th.
On motion, it was decided that candidates must file the pledge required by the rules of the party and pay the assessment fixed by the committee on or before noon August 8th, the day previous to the opening of the county campaign.

A motion was adopted that the pay of managers and clerk at the primary elections shall be one dollar per lay each, and that the manager who comes for and returns the box shall be allowed five cents per mile for coming for the box, tickets, etc. before the primary and five cents per mile for returning the box after the primary.

The usual notice as to the enrollment of club members, giving the names of enrollment committees of the several clubs and the location of the enrollment books, was ordered published.

There being no further business, the committee adjourned to meet three days after the books of enrollment close on the last Tuesday in July, unless called to meet sooner by the County Chairman.

CLUB SCHOLARSHIPS AT WINTHROP.

Here's an Educational Chance for Some Deserving Girls—Conditions Governing Applications.

One federation scholarship will be vacant at Winthrop for next fall, as Miss Kate LaBoon of Anderson, our junior scholarship girl, was graduated last week. Examination for this vacancy must be taken at the county court house on July 5, with regular Winthrop scholarship examinations. The scholarship gives tuition and \$100 additional for board.

Applicants must be at least 16 years of age, unable to pay for college course and not have previously attended college. Application should be made in writing to me at once, accompanied by letter from applicant stating details of circumstances and previous schooling. Application must be accompanied by endorsement from president of local club and one minister.

Very soon I hope to present a statement of the educational department at the present time, giving colleges at which there are now federation scholarships, names and classes of girls holding the same. I shall do this in the belief that the club women of the State wish to keep in touch with their educational work of which I am merely temporary steward.

Mabel Montgomery,
Marion, Chairman of Education.
