DOINGS AROUND TOWN.

Col. A. G. Rice from Sedalia was in Town yesterday.
 Mr. L. J. Browning of Sedalia spent last Monday night in Union.
 Mrs. Dr. M. T. Smith has been quite sick but is now convalescent.
 Miss Minnie Blair of Blairs, is here visiting her cousin Miss Addie Blair.
 Mr. Ed Jefferies from North Paeolet was at Union yesterday on business.
 Mr. Melvin Estes of Cross Keys has taken a position with Graham & Sparks.
 Mr. J. J. Littlejohn of Jonesville was in our town yesterday on business.
 Miss Ida Dunbar returned last week, from Cameron Texas, where she had been for some time, visiting relatives.
 Mr. Perry Whisonant has left Graham & Sparks and will soon open up a grocery store on upper Main Street.

Rev. R. P. Smith of Gastonia N. C. spent last Monday at the Seminary with his daughter, Miss Mabel Clare Smith.
 The merchants are beginning to get in their spring goods. Several shipments have already been received.
 It is reported that in the near future, there will be a new millinery store opened on Main street just above the Bakery.
 Last Thursday evening Mayor Jno. A. Fant entertained quite a number of his gentleman friends.

Mess. B. G. Wilburn, L. J. Browning and Y. S. Bobo, all of Cross Keys, were in town Tuesday.
 Mess. J. Woods Jeter, John Smith and Will Gist, all of Carlisle, were in Union last Monday.

Mrs. J. Q. Wray returned last Saturday from York county, where she has been on a visit to relatives and friends.

Maj. D. R. Duncan and Mr. W. S. Thomason both Attorneys of Spartanburg were in town yesterday on business.

Mrs. Moore of Charlotte N. C. is here visiting her husband, rM. Moore the contractor and is stopping at the Union Hotel.

Mr. D. R. Harry of Charlotte, N. C. brother of our enterprising merchant Mr. R. P. Harry was at Union several days this week on a visit to his brothers here.

Mr. E. L. Eison came down from Gastonia N. C. and spent Sunday with his friends at Union, returning on Monday. He is well pleased with his new home.

Mr. L. M. Rice, the new pastor of the Baptist church arrives to-day. He will preach his first sermon here next Sunday morning at eleven o'clock. There will be services at night.

Mrs. Minnie Lamplly and her two little sons Hoyt and Robert returned last Saturday from Sumter, where they have been spending several weeks with relatives and friends.

The new store for the New York Backet has been completed and is indeed "up-to-date". They filled it with goods this week. It will be devoted principally to ladies' goods for the present. The front is indeed handsome but the inside is just as pretty.

Col. T. B. Butler returned from Gaffney last Monday. He went up there last week to stay one day, and "new business" kept him there several days. Gaffney seems to afford a good deal of business for this handsome young counsellor. We wish him much success with all of his "traces" up there.

Mr. Chas. Bilt has resigned his position as member of the Union Township Board of Commissioners and Mr. W. A. Nicholson has been appointed to succeed him. Mr. Bilt has also resigned his position as Deputy Coroner, and we understand W. M. Culp Esq. has accepted the appointment.

Mr. Worth Duncan of Texas, a native of this county is back here on a visit to relatives and friends. He was in Union yesterday. He was under the necessity some time ago of killing a desperate and notorious murderer in order to save his own life. His assailant had killed several other men, and was "wanted" in several places for various crimes. Mr. D. was fortunate in being fully able to protect himself.

Quite a little sensation was created on upper Main street last Monday evening by the firing of a pistol, while it was being loaded by Mr. W. E. Stone gunsmith. The bullet went crossing through a window in the direction of the street but did no damage. A crowd quickly collected, marshalls Culp and Isreal being among the first to get to the scene. They very soon dispersed, however, when they saw what had happened. Stone's face was burnt a little by the powder.

Mrs. Jno. L. Young Dead.
 A gloom was cast over our community yesterday morning by the announcement that passed from one to another that Mrs. John L. Young was dead. She has been sick for some time and has suffered a great deal, and her death was not unexpected. She has been quite prominent both in social circles and in the good works of the town. Her influence for good and her works will live after her.
 The funeral services were held in the Presbyterian church, and her remains were laid to rest in the town cemetery which owes its beauty in a large measure to her work and influence. She was public spirited and took a prominent part in every enterprise for the good of the town or the people. She was noted for her kindness to those in need, and her open hand of charity was ever extended to the poor and suffering. To the bereaved husband and sorrowing children the TIMES extends its deepest sympathy.
