Answering the Question

How much money can I put aside weekly? You can reason like this: Well, I get \$18 a week, it takes \$7 for my board and room, \$2 for lunches and carfare, \$5 for clothes. I have \$4 left, \$2 of this I can deposit regularly for fifty-two weeks. This would give me \$104, plus the interest.

It is clearly seen that in a few years you will have quite a snug sum of money to your credit, obtained so easily that the regret will be you waited so long before asking yourself the question and then making the start. If you don't earn \$18 a week, lay by some of what you do earn. It will grow under our interest plan. Start accumulating here—now.

E. F. KELLY,
JONESVILLE, S. C.

MR. WILLARD DARES BLEASE TO SUE HIM.

J. T. Willard, a leading real estate man of Spartanburg, a supporter of Judge Jones, alderman from ward 1, and one of the most enterprising men in Spartanburg is to face a slander suit at the hands of Governor Blease, if the governor makes good his threat to sue him. In the report of the campaign meeting from Union Saturday the telegraph wires got the name tangled up and made the name appear J. T. Willis, instead of J. T. Willard.

It seems that Mr. Willard wrote to a relative in Union, a Blease man, asking him to get on the Jones side.

The governor read the letter. He said: "To show what dirty filth the Jones gang is using to try to beat me."

As read by the governor, the letter indicated an effort to induce one of his supporters (a cousin of the writer) to desert the governor, as "you are a consistent church member, and do not drink or gamble." The governor said that when the campaign was over he would make J. T. Willard answer for "the dirty lie he has sent out."

Mr. Willard stated today that he is solvent, that if the governor gets a judgment for slander against him he would pay it, and branded the governor as afraid to bring the suit unless he made good his threat. Of course, Mr. Willard does not think that Blease will sue, and few others have any idea that the governor was in earnest in his intentions.

Spartanburg Bleaseites are expected to return the courtesy extended them by the Greenville Bleaseites. The Spartans are expected to visit Greenville on August 22, when the state campaign meets there and are expected to hold up two hands in the hand primary and are also expected to make all the noise possible. Of course, as true Bleaseites, the Spartans will respond and the Southern Railway will haul them over.

A young lady was sitting in her automobile. She was ready to move. Her motor had stopped. A young man asked her to allow him to crank it. She saw his red badge and then got out of the machine and cranked it herself.

A farmer was talking to J. T. Willard today. He said he was going to vote for Blease because he "had made up his mind to vote for him and nothing in the world could change it." He said he did not know anything about the two men, but he had "done made up his mind to vote for Coley."

A traveling man was invited out to dine. He wore Jones colors. He was asked to take them off. He ate dinner at the hotel—Spartanburg Journal.

A. M. Nason, farming near Canaan, Me., was badly crippled with sciatic rheumatism due he says to uric acid in his blood. "Foley Kidney Pills entirely cured me and also removed numerous black specks that were continually before my eyes." Foley Kidney pills are a uric acid solvent and are effective for the various forms of rheumatism. Glymph's Pharmacy and Jonesville Drug Co.

Kills Man Who Assaulted Her. Nashville, Aug. 12.—Mrs. J. R. Allen, a widow, aged 22, today shot and instantly killed William Shofer, aged 28, the driver of a taxicab in the service of Mrs. Allen and her brothers. When arraigned she said she shot to protect herself. Shofer made his home with the widow and her brother. She alleged he attempted to assault her two days ago. She was admitted to \$10,000 bail.

In these days of high cost of living, a medicine that gets a man up out of bed and able to work in a few days is a valuable and welcome remedy. John Heath, Michigan Bar., Cal., had kidney and bladder trouble, was confined to his bed, unable to turn without help. "I commenced using Foley Kidney Pills and can truly say I was relieved at once." His example is worth following.—Jonesville Drug Co. and Glymph's Pharmacy.

"PEOPLES FRIEND" IN A CALL FOR AID.

Columbia, Aug. 12.—Gov. Blease today issued a proclamation, calling for contributions for the relief of the recent cyclone at Clover, in York County, when the mill was blown down and many of the houses of the employes demolished. One of the persons named by the governor to receive the contributions is Editor W. D. Grist, of the Yorkville Enquirer.

Hay fever and asthma make August a month of intense suffering to many people. Foley's Honey and Tar Compound gives prompt ease and relief, and is soothing and healing to the inflamed membranes. Wm. M. Merethew, N. Searspott, Me., says: "A few doses of Foley's Honey and Tar Compound relieved me of a severe attack of asthma and less than a bottle caused a complete cure." Refuse substitutes.
