Motions Overruled.
All motions for new trials and the arrest of judgment of the 39 labor union officials, convicted in the dynamite conspiracy cases were today overruled by Judge Anderson. Then turning to the prisoners the court stated that it was more difficult than he expected to reach the degree of guilt in each case and asked if the men had anything to say why sentence should not be pronounced. Silence greeted the question until Patrick F. Farrell stepped before the judge.

"Something might have been said in your behalf that was not said," interrupted the court. "It is a fact that you were not in sympathy with the dynamiting campaign," Farrell replied in the affirmative.

Denies Guilt.
District Attorney Miller told the court that Farrell was one of the least guilty of all. James Cooney of Chicago, told the court that he never had

written a letter about the dynamiting plots, and said he did not know why McManigal testified against him. Miller told the court that McManigal's evidence was corroborated by three witnesses. The court stated it had been told that one of the defendants told an officer of the court that if all the iron workers who had knowledge of the dynamiting were caught, the jails of the country will be filled. He further said he had not reached a decision in Cooney's case.

Scene in Court.
The court after sentencing the men read from the bench a statement in which it was said: "The evidence shows some of these defendants guilty of murder, but they are not charged here with that crime. The court cannot punish them for it."

There was a remarkable scene in the court room. In the struggle of the wives of the prisoners to reach their husbands. All the spectators were cleared from the room. The prisoners were permitted to talk to members of their families. Some of the men plead; others wept in the arms of their wives. McManigal, another confessed dynamiter, was not sentenced this time.

Move on Now
says a policeman to a street crowd, and whacks heads if it don't. "Move on now" says the big, harsh mineral pills to bowel congestion and suffering follows. Dr. King's New Life Pills don't bulldoze the bowels. They gently persuade them to right action, and health follows. 25c at The Rice Drug Company.

An exchange says Roosevelt would rather be right than president. Teddy always has had the faculty of knowing how far he could go.

Take the "direct road" to health and strength by using Foley Kidney Pills for backache, rheumatism, weak sore kidneys and bladder irregularities. Each ingredient is chosen for its positive healing and curative qualities. Foley Kidney Pills are the best medicine you can buy for kidney and bladder troubles. Mrs. J. M. Findley, Lyons, Ga., says: "I took Foley Kidney Pills and they entirely cured me." The Rice Drug Company.

Some of the best things our most successful men have picked up had been previously passed over by those who are cussing their luck.

A mean stuffy cold, with hoarse wheezy breathing is just the kind that runs into bronchitis or pneumonia. Don't trifle with such conditions but take Foley's Honey and Tar Compound promptly. Quick and beneficial results are just what you can expect from this great medicine. It soothes and heals the inflamed air passages. It stops the hoarse racking cough. The Rice Drug Company.

Leap year is nearly over, but it seems there will be plenty of girls left for the man who hasn't been asked.

Escaped After Fifteen Years.
W. P. Broyles made a successful escape after fifteen years of suffering from kidney and bladder troubles. Foley Kidney Pills released him and will do just the same for others. He says: "They cured a most severe backache with painful bladder irregularities, and they do all you claim for them." Refuse substitutes. The Rice Drug Company.

It is getting so here are nearly as many people mortgaging their homes to buy automobiles as there are to buy eggs.

Cut the High Cost of Living.
W. H. Chapman, Winnebago, Neb., tells how he did it. "My two children had a very bad cough and the doctor's medicines did them no good. I got a bottle of Foley's Honey and Tar Compound, and before it was all used the children were free and cured of their cough. I saved a doctor's bill for one 25c bottle of Foley's Honey and Tar Compound." No opiates. The Rice Drug Company.

Some men would never amount to anything anyway—and other marry illustrious women.

W. R. Fox, 195 W. Washington St., Noblesville, Ind., says: "After suffering many months with kidney trouble, after trying other remedies and prescriptions, I purchased a box of Foley Kidney Pills which not only did me more good than any other remedies I ever used, but have positively set my kidneys right. Other members of my family have used them with similar results." Take at the first sign of kidney trouble." The Rice Drug Company.

Makes the Nation Gasp.
The awful list of injuries on a Fourth of July staggers humanity. Set over against it, however, is the wonderful healing, by Bucklen's Arnica Salve, of thousands, who suffered from burns, cuts, bruises, bullet wounds or explosions. It's the quick healer of boils, ulcers, eczema, sore lips or piles. 25c at The Rice Drug Company.

Sudden popularity ruins full as many men as sudden prosperity. A truthful man sometimes has to tell a lie to attract attention. Plants and vegetables are to be are concerned, we already have electric currents.

DECIDE YOURSELF.

The Opportunity is Here, Backed by Union Testimony.

Don't take our word for it. Don't depend on a stranger's statement. Read Union endorsement. Read the statements of Union citizens. And decide for yourself. Here is one case of it: J. G. Long, Sr., Sheriff of Union County, 68 W. Main street, Union, S. C., says: "I found Doan's Kidney Pills to be a fine kidney medicine and one that acts just as represented. I took them when I was suffering from backache and other symptoms of weak kidneys and I got great relief." If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills, the same that Mr. Long had—the remedy backed by home testimony. 50c all stores. Pencils are being made from potatoes and mens collars from milk. If some friend of humanity would only discover a method whereby the squeal of the croaker could be transformed into an article of diet and the wasted energy of the knocker harnessed and used for motive power, we would feel that the millinium was close at hand.

Hints for Housekeepers.
Keep Foley's Honey and Tar Compound always on hand, and you can quickly head off a cold by its prompt use. It contains no opiates, heals and soothes the inflamed air passages, stops the cough and may save a big doctor's bill. In the yellow package. The Rice Drug Company.
