To The Voters

Of the Fourth Congressional District

I take this opportunity to express my hearty and sincere thanks for the honor you have conferred upon me by electing me to Congress.

I wish to express to my friends my sincere appreciation for their untiring efforts exerted in my behalf. I hope see each one of them at an early date and express to them my appreciation in person. I shall treasure their friendship as long as I live.

I have endeavored from the very beginning of the campaign to make a clean, honest, fair fight on my merits and on the issues advocated by me and set out in my platform. On this fight you have seen fit to elect me, and I wish to assure you that I shall endeavor to do everything in my power for all the people of my district. I am now your servant, and whatever ability and energy I may have will be exerted in your behalf in the work I have before me for your general welfare.

I earnestly ask all the people, those who voted for me and those who voted against me, to join hands with me and help me make my term of office such a great success that it will prove of great benefit to my people and a credit to myself and to the people of my district.

Again assuring you of my deep sincere, and heartfelt appreciation for the honor you have conferred upon me, I am,

Very sincerely yours,

Sam J. Nicholls.

STRONG TEAM AT FURMAN. The outlook for a strong winning football team at Furman University this season is at present very favorable. The Faculty and Alumni are very much interested, and are doing all in their power to aid the management to put out a team which the University may well be proud at the close of the season when the last down has been called.

The Varsity men who are coming back at the beginning of practice on September 1, are Nedson, Hahn, Gregory, Wingo, Payne, Rice, and Gressette. These men will be the nucleus of this year's team. There are a number of men who were on the second team last season who will be valuable additions to the Varsity. Among these are Jeter, McManaway, Stover, Woods, Ballentine, Farmer, Hogan, Cox, Ted Jones, Shirley, Big Smith, Pete Watson, Wharton, and Moore. There are a good many new men with High School records who will report for practice Sept. 1 also.

Thru the splendid work of the Alumni members of the Athletic Council in Greenville a football training camp will be held from Sept. 1 to Sept. 14. The location is ideal. It is in the heart of the Blue Ridge Range up in the mountains near Caesar's Head in Western South Carolina. Near the camp is a deep pool over one's head in a clear, cold, mountain stream in which the men may take a dive after a work-out on the field nearby. The camp will be free to all who try out for the team. Between twenty-five and thirty-five men are going on the trip. The party will leave Greenville on the afternoon of Sept. 1 in autos belonging to friends of the University. The Athletic Directors, the Graduate Manager, the Athletic Council and the Student Manager are all in touch with the men lining them up for the camp.

The schedule is a hard one, but the men will only buck the line a little harder to win. It is as follows: Clemson College, Sept. 25, Greenville, S. C.

Presbyterian College, Oct. 15, Greenville, S. C.

Carson-Newman, Oct. 21, Jefferson City, Tenn.

Bingham Academy, Oct. 23, Asheville, N. C.

Davidson College, Nov. 6, Davidson, N. C.

Univ. of Sou. Car., Nov. 17, Greenville, S. C.

Wofford College, Nov. 25, Greenville, S. C.

Open Date, Oct. 2 to 7, Greenville, S. C.

All communications in regards to the team or the camp should be sent to W. D. Nixon, mgr. Furman Football Team, Greenville, S. C.
