MEADOR'S

On Saturday August 28th, there was given by Miss Agnes Meador and Miss Clara Jenkins, a picnic in honor of Mrs. LeAnne Meador, of Tusculoosa, Ala., who is now visiting her parents, Mr. and Mrs. W. F. Carter. The picnic ground was given by Mrs. J. Meador Pant, under some of the old mammoth oak trees which occupy their place in front of the old home residence. The tables were nicely dressed with white linens, and well burdened with plenty of good things to eat. The tables were beautifully decorated with flowers and various kinds of fruits. A large crowd was present and enjoyed the day fine.

Mr. and Mrs. Scaife Wilburn visited at the home of Mrs. Wilburn's father, Mr. M. L. Meador.

Miss Ben Foster and Marion Smith, of Hebron section, visited at the home of Mrs. Thos. Jenkins, Saturday and Sunday.

Mr. Gary Jenkins, of Santuc, visited his father, Mr. Thos. Jenkins, Saturday and Sunday.

Mr. C. E. Bailey, of Lockhart, spent the week end with his brother-in-law, Mr. W. O. Robbins.

Mrs. Edgar Gilbert and Mrs. Mary Gregg and daughter, of Union, visited the home of Mr. W. O. Robbins Sunday.

Mrs. J. W. Brunner, of Columbia, is visiting her parents, Mr. and Mrs. C. F. Dunaway, and is accompanied by her husband, Mr. J. W. Brunner.

Everything seems to be pleasant, although wars be on all sides.

JONESVILLE

Jonesville, Aug. 24.—This is my second letter that was ever written for publication and I want to stay here, now, I never went to school but one month in my life in a school house built for that purpose. What little school training I have, I got by my uncle in old houses that were not for people to live in and I never had the chance to get a longer term than three months. Now we have nice school houses all over the county and run nine months in the year.

The patrons of the Gault school house gave an ice cream supper on the 28th, and a large crowd attended; we had all kinds of music, piano, organ, guitar and violin and some dancing. Everybody seem to enjoy the evening fine. But one of the greatest mistakes that any religious or Christian people could have made, was when Rev. J. S. Thrasher, was denied the privilege of making a temperance talk. As for myself I don't want prohibition like the preachers and christian people say. I am no church member but I want to say here, I love a good man or woman and I would be the last man to try to stop a religious service or to hinder any man from making temperance talks at Gault school house. I have a good wife and four children and the older I get the more I think about the evils and trials of this life, but what encouragement do I have to unite myself with the church or a set of so-called christian people that would deny a Missionary Baptist preacher from making a temperance lecture at Gault school house, when various other entertainments were allowed.

Rev. Thrasher resided in Spartanburg for two years before he came to Union and has been a resident of Union for two years. I have known him for about six months but I have as much faith in his religion as any man in the county. He is ripe in age and I don't think or believe he has the intention of doing anything but the right thing, but he is not perfect and no man who reads this is.

I do hope the good people of Gault school district will get together and all pull for the same cause and lend a helping hand to anything that is instructive and upbuilding from education and christian standpoint.

YOUR BODY
Protests Against Calomel

You have noticed the disagreeable effects of calomel, that sickening nausea that is characteristic. There is reason for tearing up your system in such a drastic manner.

LIV-VER-LAX, that wonderful vegetable compound, is just as useful as calomel for toning up your liver and ridding your system of stagnating poisons, and it does not make you feel bad like calomel. It is pleasant to take with no unpleasant after effects. Keep it in your home for health's sake.

If LIV-VER-LAX is not entirely satisfactory, your money will be returned without question. The original bears the likeness of L. K. Briggs. For sale at 25c and \$1 by Briggs' Pharmacy.

**WIFE OF LYNCHED NEGRO
MURDERED NEAR WINNSBORO**

Hattie Smith Shot Through Window of Her Home—Several Clues are Had.

Columbia, Aug. 30.—Hattie Smith, widow of Jule Smith, the negro who was shot to death in the courthouse at Winnsboro in June, was shot to death yesterday in her home two miles from Blaney. Bloodhounds taken to the scene by Mr. Hough were unable to take the trail, as a heavy rain fell just as the dogs were put to strong clues on which they expect to take action shortly.

The woman was shot through an open window as she was sitting with two other women, singing. A load of shot from a shot gun tore off the top of her head and she died instantly. Jule Smith accused of assault on a woman of Fairfield county, was shot to death, in a pistol battle on the courthouse steps at Winnsboro. Sheriff Hood who was carrying the prisoner to the dock, was fatally wounded, as were Clyde Isenhower, reputed leader of the band which attacked the sheriff, and Raleigh Boulware, a deputy sheriff. Ernest Isenhower, brother of Clyde Isenhower, Morrison and Rawls, two alleged accomplices, are now under bond, charged with murder in connection with the tragedy.

BLUE OF MARION

Washington, Aug. 20.—Trustees of the American medicine gold medal awards have unanimously selected Surgeon General Rupert Blue, of the public health service, as the American physician who did most for humanity in the domain of medicine during 1914.

The 1914 gold medal has been awarded to him for his work in national health and sanitation. Dr. Blue is a brother of Victor Blue, rear admiral in the United States navy, and both are sons of the late Capt. J. G. Blue, of Marion county, S. C., who was state senator in 1876.

JONESVILLE

Jonesville, Aug. 31.—I feel somewhat discouraged at the outlook of the times. There must be a better time ahead. There never was a better prospect for a corn crop and then the small grain crop has already been harvested and it is the biggest on record and then the cotton crop is very promising and the price is advancing by jumps and the European war has got to be so common that its almost a joke and we will just let President Wilson manage it and we will go along about our affairs and enjoy the blessings of bountiful harvest.

Two weeks ago, I wrote something about the people going and coming and enjoying themselves and that something there was plenty of money in the country and I am of the same opinion. Why, the people of our small town have spent no less than two thousand dollars this summer visiting the Panama exposition and other places of the middle and far West.

If cotton will only go up to ten cents and stay there, there will be prosperity sure enough.

Our town council has bought an electric light plan which they hope to have installed and turn on the lights inside of ninety days. Then the next step will be water works and that will bring convenience, cleanliness and health and add to our advancement.

I spoke of the automobile, in a former letter as being a kicker and always from the front. Well, the automobile is a convenient vehicle and one that gives rapid transit and pleasure. But the automobile is a way many a sweet pretty woman goes out to the place of her down fall.

There was a quiet home wedding at Lockhart Junction last Thursday when Miss Myrtle Gault and Mr. Robert Little were married. Rev. W. B. Justus performed the ceremony and the young couple left for mountain country of North Carolina. This young couple have both done well and it goes without saying that they will succeed in this life.

Our city fathers are preparing to lay some more cement sidewalks before the winter sets in.

The graded school will open its fall session the 6th of September. Some of the teachers are coming in to get ready for the work.

Miss Eva Ellerbe, of Columbia, is spending a few days with Mrs. Hames and Mrs. W. W. Wood, on her way from the mountains to her home in Marion.

Miss Frances Hicks, of Greenville spent last week with friends in Jonesville.

Miss Belle Free is entertaining this week and has as her guests, Misses Powell, of Orangeburg, Miss Thomas, of Paeolet, and Miss Rast, of St. Matthews.

Miss Josephine Rogers, of Atlanta, is the guests of her sister, Mrs. M. B. Chambers.

It seems that ex-Governor Bleas has about made up his mind to enter the race next summer for the governor's seat. It is thought that the success of Sam J. Nicholls for Congress in the 4th district, encouraged the ex-governor to make the race. He had better go slow for "its a long way to Tipperary."

Mrs. W. J. Haile, and three children of Union, spent the week end with Mrs. F. T. Williams.

Miss Dora Whitlock, of Union, has been spending some time with her brother, Mr. Munro Whitlock.

This morning is quite cool and according to the katyids, there will be frost the last of September.

Mr. C. M. McWhirter has just returned from a big trip to the exposition and many other places of interest. He says its the trip of his life.

Mr. Alfred W. Davis spent a week with his brother, Mr. R. W. Davis and brought his violin and gave us some fine music.

This time twenty nine years ago,

our people were shaken up as never before by the Charleston earthquake. Telephone.

DON'T GIVE UP
Discouraged Citizens Will Find Comfort in the Experience of a Union Man.

Experience is the moderate instructor. Profit by the experience of others. It may save your life. The experience of friends and neighbors. The testimony of Union people. Will bring renewal encouragement. Here is a cast in point: J. M. O'Shields, 8 South Enterprise street, Union, S. C. says: "I had information of the bladder and my kidneys were in awful shape. The pains in my back were terrific. The doctor said I had gravel and during one attack, four physicians sat up with me all night; they thought I was going to die. A doctor advised me to try Doan's Kidney Pills and I got a box from the Palmetto Drug Co. I was relieved after I had taken them a day or so and before long, I passed a gravel stone. One box of Doan's Kidney Pills cured me and that cure has lasted for eight years." Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. O'Shields had. Foster-Milburn Co., Props., Buffalo, N. Y.

FREAK CHEROKEE PIG
Gaffney, Aug. 29.—Bundy Petty, a negro who lives just outside the corporate limits of Gaffney, brought to town today a curiosity in a young pig, which was born on his premises last night. The head in every respect was exactly like that of an elephant, ears, eyes, mouth and trunk. Hundreds of people saw it and all were amazed at its remarkable likeness of the pachyderm. There were 10 pigs in the litter, and all are living except the specimen above referred to.

**NOW HER FRIENDS
HARDLY KNOW HER**

But This Does Not Bother Mrs. Burton, Under the Circumstances.

Houston, Texas.—In an interesting letter from this city, Mrs. S. C. Burton writes as follows: "I think it is my duty to tell you what your medicine, Cardui, the woman's tonic, has done for me. I was down sick with womanly trouble, and my mother advised several different treatments, but they didn't seem to do me any good. I lingered along for three or four months, and for three weeks, I was in bed, so sick I couldn't bear for any one to walk across the floor. My husband advised me to try Cardui, the woman's tonic. I have taken two bottles of Cardui, am feeling fine, gained 15 pounds and do all of my housework. Friends hardly know me, I am so well." If you suffer from any of the ailments so common to women, don't allow the trouble to become chronic. Begin taking Cardui to-day. It is purely vegetable, its ingredients acting in a gentle, natural way on the weakened womanly constitution. You run no risk in trying Cardui. It has been helping weak women back to health and strength for more than 50 years. It will help you. At all dealers.

GRINDALL

Grindall, Aug. 23.—I am writing this letter in Atlanta, Ga., but I think it is a most dull place. The crops are sorry in this part of the country. I saw more peach orchards than anything else. I saw one hundred acres of Elberta peaches in one field; there are two packing houses in this field. There is still a great up roar about Leo M. Frank; it seems that everybody is against him. I saw the National Pencil Factory where the little girl was killed but did not go in it. From what I have seen of Georgia, it is the roughest farming country I know. Another curiosity I saw on the road was people picking cotton on one side of the road and people dirting cotton on the other side of the road. This place is so dull. I have not been about much to get any news. Western Union.

**Ugh! Calomel Makes
You Deathly Sick**

Stop Using Dangerous Drug Before It Salivates You! It's Horrible! You're bilious, sluggish, constipated and believe you need vile, dangerous calomel to start your liver and clean your bowels. Here's my guarantee! Ask any druggist for a 50-cent bottle of Dodson's Liver Tonic and take a spoonful tonight. It doesn't start your liver and straighten you right up better than calomel and without griping or making you sick I want you to go back to the store and get your money. Take calomel today and tomorrow you will feel weak and sick and nauseated. Don't lose a day's work. Take a spoonful of harmless, vegetable Dodson's Liver Tonic tonight and wake up feeling great. It's perfectly harmless, so give it to your children any time. It can't salivate, so let them eat anything afterwards.

**Whenever You Need a General Tonic
Take Grove's**

The Old Standard Grove's Tasteless Chill Tonic is equally valuable as a General Tonic because it contains the well known tonic properties of QUININE and IRON. It acts on the Liver, Drives out Malaria, Enriches the Blood and Builds up the Whole System. 50 cents.
