GIVE THEM A TRIAL. Mercenary per sons have in so many instances succeeded in foisting upon the community worthless preparations, claiming for them great medical virtues. that a great many individuals refuse to take anything not sanctioned by a physician. This sanction has been bestowed upon STABLER'S ANODYNE CHERRY EXPECTORANT and DIARRHŒA CORDIAL in more than five hundred instances. Indeed many medical men who know their virtues regularly prescribe the Expectorant in cases of Coughs, Colds, and diseases of the respiratory organs, which come under their care. And, in all diseases of the bowels, too, such as Diarrhea, the Diarrhea Cordial is prescribed by them with the utmost confidence in its beneficial effects. Give these excellent medicines a trial.

See descriptive pamphlets, to be had gratis of the agents. Price of each, only 50 cents per bottle, or six bottles for \$2 50.

Land for the Million!

THE Act of Congress of March 3d, 1855, gives additional Bounty Land to all who have heretofore received hand for military serhave heretofore received hand for military services. All who have served fourteen days, or received pay in money for their services are entitled. We have, by five years' practice in claims against the U. S. Government, become perfectly acquainted with all the minute rules and practice of that Department, and are well known to the Commissioner of Pensions. We will attend promptly to all claims entrusted to us. As three hundred thousand persons are entitled under this law, there will be great delay in issuing them, and it is therefore highly important that application be made without delay.

We will also pay cash for the Warrants, or advance money upon them.
