### OTHER NEWS ITEMS.

We had over three hundred pupils in Sunday School last Sunday morning. Dr. J. H. Goodwin and his able assistant, Mr. James W. Hopkins were elated over the progress of the Sunday School. \$11.00 were raised. Lesson was profitably discussed.

The usual big crowd was on hand at 11:30, when pastor White, began his discourse. Dr. White preached a most wonderful sermon from the subject, "Lifting up of the Serpent of Brass." The pastor laid bare the fact that salvation by the way of the cross was the only salvation. A large delegation of men from Hamlet, N. C., and Charlotte, was seen in the congregation last Sunday morning. Collection \$80.00.

At New Brookland  
At 3:00 o'clock the pastor drove his big Cadillac over to New Brookland, where he met his anxious members, a number of white people were in the audience to hear the sermon.

Pastor White preached from subject of "Lost Opportunity" which thrilled the entire church. A church conference was held to arrange some church matters, this having been done the meeting adjourned.

### Back at the Old Ship of Zion.

At 8 o'clock the church was filled down stairs and scores were seen going up in the galleries. Dr. White had just gotten up to take his text, when he spied Dr. I. D. Davis, pastor of the Ladson Presbyterian church of this city coming up the aisle, he conscripted Dr. Davis in the evening services. Dr. Davis preached not only an instructive sermon but a spiritual one as well. The whole house was well pleased to have Mrs. I. D. Davis in the congregation as well.

### JONES CHAPEL A. M. E. ZION CHURCH

Cor. Blossom and Sumter Sts. has in store for all who may come, great things and these things are handed willingly by the membership and Pastor. Last Sunday was a high day with us. The Pastor, Rev. R. A. Alexander Carroll, delivered two masterful sermons. The morning subject was "The exalted name of Jesus," (Phil. 2:9), and from which subject he assured us that there was no name so lasting as the name of Jesus, and the subject was discussed under the following heads—1st. Why this name should be considered above every name. 2nd. The significance of this name. 3rd. The true import of the name. 4th. The Greatness of the name. 5th. Its durability. No one who heard this great sermon went away without food for another week, but in order that they may not have the chance to get a refreshing draught during the week, they came back Sunday night to hear a message on "The Widow's Mite" which was a great message and full of information which was very greatly needed at this time when the hearts of men are turned from duty to God and the Church and feel that what they do is more of an act of charity than that of one's Christian duty. After having given the setting of the message, the occasion of the scripture as presented, the Doctor gave two general Divisions of the message. 1st. Some of the things which the incident revealed concerning Christ. 2nd. Some of the things which it reveals concerning ourselves. His conclusions were indeed in keeping with the delivered message and every one was benefitted. We are inviting others to hear the Gospel from the Gospel preacher.

Bethel Church had reasons to feel proud Sunday. The Sunday School was large and prosperous. The younger people are taking a great part in its operation. Large congregations met the pastor both morning and evening. The church was thinking in terms of finance, yet four persons united with the church. Three men and one little girl.

The League is still alive, and we are hoping to have many present Sunday. In our first check up in the rally, we had \$1,513.93. The captains have gone back to double their efforts. "Watch for our next report." Sunday is Holy Communion.
