State College baseball team, who easily defeated Paine College here today, showed excellent form in every department of the game. They were good base stealers, good hitters and good fielders, and their pitcher gave up only two hits against one of the leading teams of the Georgia-Carolina League. One run by Paine College in the ninth saved a shut out while State piled up thirteen tallies on her end.

State batters began hitting in the first inning when June, catcher and lead off man drove out a home run of the first strike pitched. Powell, first baseman, followed with a triple, and Ford ended this rally with a double. More hitting in the second when Word, second baseman, tripled, Cotton doubled and Ford tripled. Cotton in the sixth inning got a home run.

Thompson, a new find for State College, pitched a two hit game, walking one man and striking out six. Paine College used two pitchers who together walked eight batters and struck out five. It was a poor day for Paine while State was working in perfect condition.

Thus far State's varsity baseball team has prvoen to be a steam roller, having won all games played by defeating Haines, Benedict and Paine with large scores. The boys will soon take the road for games at Sumter, Augusta and Atlanta. Coach Smith is developing his pitching staff to high tension, each man in turn doing his stuff on the mound during brief parctice period since the weather warmed up. Ford, Thompson and Smith are the triumvirate pitching staff this season. The infielders are looking good. The team as a whole is hard hitting and will show the public strong slab work wherever they play.

## Florence News

At the usual hour on Tuesday afternoon, March 27th members of the Buds and Roses Club assembled at the home of Dr. and Mrs. S. S. Scott on Front St. Spring was the keynote. Everything was suggestive of spring. Soft lights, ferns, roses and the gaiety of lovely ladies lent the effect of a veritable kaleidoscope. It was a grand and glorious and colorful scene. One would have thought that all the lillies belonged to the Garden Club of America and were proving membership by the fabrics they wore. After a short business meeting, tables were arranged for whist. During the game, mints were served. At the conclusion Mrs. Sue Brown held the highest score and received first prize. Mrs. Lawrence the booby.

Mrs. Scott's guests were Misses Pandy, Vincent and Kennedy. Mr. Pandy received the guest prize.

During the serving of a most appetizing collation, consisting of shrimp salad, milk cocoa, saltines and olives, an article entitled "The Vessel" and to This Novel," was read and commented upon by Miss Webster. The ladies enjoyed same and received very valuable hints as to their figure etc. Realizing that this is a youth-worshiping and youth-striving for era, they have all decided to take up Ponce de Leon's quest for a fountain of youth.

We were then invited into the dining room by the gracious hostess where a gigantic punch bowl filled with the sparkling fruit juice held up its abode in the center of the dining table. Against it were placed agile bedecked with Easter designs and correspond ing verses. Behind these were small punch cups each containing cherry. From these were served and re fered.

We were just congratulating ourselves on being the lucky persons when in stepped the waiters for and invited us all to remain for a continuation of the evening's enjoyment. Of course we all accepted.

About 9:30 the guests of the evening, viz: Messrs. Jas. Miller, Jr. Turnee, John Buchanan, Andy Bryan, Perry Lipscomb, Cecil Davis, Roland Perrin, Willie Boyen arrived. To the strains of "Blue Heaven" and other popular airs, feet were tripping here and yonder.

The afternoon and evening proved to be one of unalloyed pleasure. We are all hoping that every Tuesday evening holds a similar surprise for us.
