churches and especially in the rurals, business of that quarterly conference. is that the people who need the gos- Let the members of these charges pel most never hear it from one year to another. There are some church Spirit. "Let us advance on our knees. going people in every community. And it is that same few who hear and support the gospel that is intended to save mankind the world over.

Oft times the small congregations that assemble to hear the gospel preached are professed christians with not a sinner in their midst. Christ died to save sinners. They are the ones that are sick and need a physician. The gospel cannot change the lives of men unless they come in contact with it. There are hundreds and thousands of people who are successful in keeping themselves away from the very sound of the gospel. The ministers all over this world could They really don't know that it is the group has appeared before audiennot become the kingley of any land. not become the kingdom of our Lord ces of Winnsboro, Blacksville, Hamp-and Master until these people are ton, Summerville, and Williston, Both subdued by the gospel of the san of the choir and quartet are composed

ty to help say the laity. No one Through this medium we wish to ty to help save the laity. No one seemingly is trying to save the un-saved but the minister. What are the laymen doing to get their fellow lovmen saved? How many do they strive to bring to Christ and to the church ment, Special mention must be made each year? The quicker the church of Eldrich Hammond, our leading to sends its lay workers after the lost sheep among the laity the Sooner will be brought into the fold of quartet.

#### We are Crossing the River-

The sad departure of the Rev. D. church was indeed a shock to their many friends. At their last annual make their contribution in the conferences in November and Decem- of our dear old Palmetto state. ber of last year, both looked as though they would have lived many years. But with the publishing of this issue of the Leader the bodies of these noted divines sleep in the heart of the earth. They were powers in their respective churches. Both were ex- pre siding elders but were pastoring number one charges when their summonses came. In them the Leader has lost two of its great supporters. The Rev. Turpin was the first person at his annual conference in Mullins last November to pay his subcsription. The Rev. Chestnut always assisted us in securing subscribers at his conference. We will miss them. The church and race will miss them. But their souls race will miss them. But their soms are resting in the presence of the Lord and now they are satisfied. We shall meet them some day for we are all headed in that direction. So we say good by comrades but not fare.

At 7:30 p. m. the spacious church ing at the spacious church ing the say good by comrades but not fare.
