# ZION BAPTIST CHURCH NEWS

Rev. J. P. Reeder, Pastor The center of attraction at our

church at present is the Sunday school toward which all eyes are turned. No doubt you have already noticed little envelopes with the following inscription: "We want more Sunday school rooms. This is my savings account for that purpose. Please help us." The greatest aim of the church is to purchase more Sunday school room where teachers will have individual classes and thus obtain better results from pupils by not having other visible classes to divide their attention. We are asking the one hundred per cent doperation of our friends and members. Last Sunday we had a swell attendance of 235, and our collection amounted to \$15.02. The money for the building fund is reported every first Sunday. The improvement work has already begun, so any time you pass our church and hear bammers urging or saws buzzing you know that the
