INTERESTING AND GRATIFYING

This issue of the Lender contains an advertisement that is both interesting and gratifying. The advertisement of The Commercial Casualty Insurance Company contains invitation to responsible persons to communicate with the company for an offer of agency contract. This is indeed gratify ing as this company bears a splendid reputation and is one of the leading companies in the Health and Accident insurance field. By extending its offer of agency to our readers it shows that this company recognizes the fact that The Leader is read by leaders everywhere. We appreciate the confidence shown by this large company in ourpaper and we urge our readers to co-operate with us by giving our advertisers the consideration they deserve.
