A VISIT TO SWITZERLAND

Have you ever been to Switzerland? No, Ben, are you going?

I have been, I'll tell you all the fun. Well, you go with me? World. Ben, but how are you going, Ben?

Well, I'll tell you. The only day I went to the P. M. We went to the library at the P. M. A. on the corner of Hampton and Park streets and saw the picture of Switzerland. It was the best picture I have ever seen. It was a picture of a mountain range, with a lake in front of it, and a town at the foot of the mountains. The picture was so beautiful that I thought I would like to go to Switzerland. I'll tell you all the fun. Well, you go with me? World. Ben, but how are you going, Ben?

MARION COUNTY NEWS

The Zion Colored school of which Prof. Jacob Smith is principal is making great progress. The enrollment last month was one hundred and seventy six; it is growing rapidly, every morning we see new faces. Last year we rendered a maximum enrollment of 264 and it is thought that we will surpass that number this year. A number of the children do not start when school first opens, because it is their father's desire to get through gathering before they let their children go regular.

Each class is working hard, seem like they are realizing what they are in school for. All indications are that the school year will be one of the best. We wish to thank the parents for co-operation with the school, and the trustees for their hearty support.

The N. T. S. C. has organized for the 1935-'36 term, the officers are as follows: Mr. Johnnie Bohre, President; Mr. James Washington, Vice President; Mr. Frank Kennedy, Secretary; Mr. Simon Legrette, assistant secretary; Mr. Bert Page, club reporter; Mr. Alston Page, Treasurer; Mr. Leonard Cribbs, Chaplain; Advisors, Prof. Smith, Mr. Clarence Campbell, Mr. K. Johnson. The club consists of eighteen members who are alert and looking for a better tomorrow.

The N. T. S. C. is putting on some worthwhile drives by the help of the Zion faculty. On Wednesday night the club sponsored an entertainment, connected with it was the giving away of a cake and a roast hen to the lucky person.

On December 6, 1935 the club will give a show; refreshment will be served; it promises to be good and if it hurts you to laugh you had better stay home. For further information of the N. T. S. C. Club read the Palmetto Leader.

Mr. and Mrs. Liege Brown had as their guests for dinner Sunday Prof. Jacob Smith, principal of the Zion Colored school, and his faculty, Miss Hattie Godbolt, Miss Armstrong, Miss Reaves and Miss Page and Rev. Reaves. Visitors from Floydale were Mr. Gray McClellan and family. My! You talk about a dinner—fried chicken, steak with rice and brown gravy, sea chicken just from the Beach, vegetables, good brown and tender; white potato salad, milk, cake, pie, and custard that would make your mouth water to look at them.

Every one enjoyed themselves to the highest. The Rev. Reaves who is a patron of the Zion school said he thought it was Xmas.

IN MEMORIAM

In memory of my dear mother, Mrs. Selma Jefferson who departed this life, Ntv. 21, 1929. Six years ago you left me, And my heart has never ceased to ache, I have claimed some one as mother, But no one yet can take your place.

Yes, dear mother you are up in glory, And thank God, I am on my way, I am longing for that meeting, In the great Judgment Day.

Yes you are gone, you are up in glory, Left me here to follow on, But you taught me of a Savior Who had gone to prepare my home.

And I am trying to follow Jesus, Trying to follow Him each day, And by and by, I too, From labor shall be free some day.

Sally missed by your faithful daughter.

ST. PAUL A.M.E. CHURCH

Rev. R. A. Young, Pastor

Sunday was a day of pleasure for all church worshippers. As usual our most esteemed pastor brought a message that will last upon the minds of the people through the ages; taken from St. John 1:22. This being his first visit since Conference, the impression made is like the foot prints on the sand of times. Dr. Grant of Newberry was the speaker of the evening who presented valuable information, concerning the colored hospital that is striving for a foot hold. Other visitors that worshipped with us were Mr. C. E. Floyd and W. B. Reeder of Newberry. Visitors you are welcome at all times.

A WONDERFUL DAY

A poem written by Annie Ruff of Washington, D. C. for her mother's birthday.

Just think how in it can swim and dive, In this grand year of '35; And how our Heavenly Father above Has spared you, Mother, for me to love.

As far as I can see from view, I'll do anything I can for you; Because you are the one— Who is my daily light and sun.

And if you say "O Arnie Come," And to you, Mother, I do not run;
