GLAD THAT CHRISTMAS IS NEAR

Dear Bill:

borhood.

Here I a again. I am glad that Christmas is almost here for I have been a good girl. I have tried to obey, my mother and my teacher, so I know Santa should be good to me: I notice from the paper that he is in your city. have not had a chance to see him as yet, so if you happen to see him before I do tell him about me won't you please and don't forget to tell him about my sisters and brothers too. Oh! I promise to let you know how the car race that we were having at our school came out on last Thursday. Dr. A. R. Howard was there and addressed the entire student-body. His subject was "Education". He told what it would do for us. He also drew a picture of the child with an education and the one without an education. His lecture was very good and enjoyed by everyone After the address we had reports from the various classes:-The 6th and 7th grades represented the Plymouth and reported \$5.15; 4th and 5th grades, Chevrolet, \$7.22; 2nd and 3rd grades, Chrysler \$1.15 1st and beginners V-8, \$2.40. To tal \$16.50. I was very sorry our class did not win but since it was my mother's classes that won I didn't feel so bad after all.

We are putting on another program for Christmas, I bet we will

win next time.

Our school has a new basket

ball new, watch us win some games. It is almost time for the bell so I must be on my way, bye, bye Bill until next week.
