

CHURCH GOING SUNDAY AT BETHEL A. M. E. CHURCH

The pastor and members of Bethel A. M. E. Church, corner Taylor and Sumter Sts. Columbia, S. C. are arranging to have a Church Going Sunday March 29th. They are planning to contact all their members who do not attend services and each member is requested to bring or invite one or more persons who do not attend church. And all those unable to come on account of feebleness provisions are being made to have them carried to and from the services. Any member knowing of such persons are asked to inform or phone the pastor, Rev. S. H. Lewis, 1400 Taylor St. Phone 5373.

Governor Olin D. Johnson in addressing a colored congregation at Sidney Park C. M. E. Church last Sunday said that no church going person is not in the number who fill the State County and City Prisons and flood his office with petitions for Clemency, but to the opposite the majority of Criminals are folks who never attend religious services.

The services will be at the regular hours, 11:15 a. m. and 7:30 p. m. The sermons will be preached by the pastor and the choir will render special music for these services.

The committee on arrangements is asking the public to assist and cooperate with them on this occasion; come and worship with us.

ALLEN TEMPLE A. M. E. CHURCH

Rev. R. I. Lemon, Pastor

Greenville, S. C.—Sunday school opened at 9:45 a. m. with a large attendance. Our school is growing with the coming of spring. We had an interesting lesson. The review by Mr. Sittou was fine and enjoyed by all. The school is making rapid progress in the automobile race under Mrs. M. M. L. Houn. The school hopes to reach Washington, D. C.

Morning service began at 11:45 a. m. The pastor preached a strong sermon, very timely and one that really is in need today. He used for his subject, "The Power of a Praying Church." His text was found Acts 12:5-7. We had a very large congregation. Among the visitors, Miss Marie Young, a graduate of Allen Union. We were glad to have her also the other visitors.

The A. C. E. League met at 6 o'clock. An interesting meeting was held.

Night service began at 7:30 p. m. The pastor again delivered a strong message, "Jesus said unto them I am The Way, The Truth and the Life." This message was well worth hearing.

An after collection was taken for the people suffering from the "Flu."

Many plans and entertainments are being sponsored for the benefit of our Educational rally which comes off Sunday.

The sick members of the church are improving. We extend to Mrs. Emma Griffin our deepest sympathy in the loss of her mother.

EMMANUEL A. M. E. CHURCH

Rev. J. E. Thomas, Pastor

We are still having great times in Zion and are anticipating greater times during the next two weeks. Beginning Sunday, March 29, a great revival will be held. Rev. W. W. McCuller of Chesterfield, S. C. will command the army of Light which will be arrayed against the army of darkness. We extend a cordial welcome to those who will come and help us in this fight.

Last Sunday was an ideal day and church goers were delighted to find it their privilege to worship at their respective churches. The pastor conducted the devotionals during which time he read for the morning lesson several verses of the first chapter of St. John beginning at the seventeenth verse. The text was selected from the chapter named at the sixth and seventh verse. "There was a man sent from God, whose name was John," etc. Subject "A unique message." This well balanced and impressive sermon was one that sent a thrill of spiritual enthusiasm through the audience. There was one accession, Master Carl Mitchell.

The Sunday school lesson, "Jesus teaches true values" was indeed interesting. The lesson taught us that we should be more concerned about the things that are more beneficial and worth while, rather than giving our thought to the lesser things. A splendid gathering of teachers scholars and visitors were present. Miss M. L. Young has returned

to the city having taught successfully during her school period.

Mrs. J. Walker of Augusta, Ga. visited us during the day.

LOVELY HILL BAPT. CHURCH

Rev. Hooks, Pastor

Holly Hill—Sunday was a real spring day and most church goers took advantage of the lovely day by attending church. We had a large crowd out Sunday morning and Sunday night the church was packed.

The pastor was at his best all day Sunday. Sunday morning he preached a splendid sermon from the fifth chapter of St. Luke and the eleventh verse. Subject: "The Master's Call." Sunday night he preached another soul stirring sermon taken from Mark 9th chapter and 24th verse. Every heart was touched while this man of God preached. The members are cooperating with their pastor financially and spiritually. The finance for the day's services was \$17.61.

The choir rendered splendid music all day.

The following visitors attended services during the day: Mr. Henderson, Mr. Jefferson, both of State College who are here doing practice teaching. Also Miss Jenkins, one of our former teachers who was spending the week-end at the home of Prof. and Mrs. Roberts, guest of Miss Pickett and lots of visitors from the church of the city. Come again. This is the church of friendly folk. We always welcome visitors. Mr. F. Murray of Bowmah, S. C. was a pleasant caller at the home of Prof. and Mrs. Roberts Sunday afternoon.

MORRIS BROWN A. M. E. CHURCH

Rev. J. W. Witherspoon, Pastor

The worshippers at Morris Brown last Sunday, enjoyed splendid sermons all day. The day opened up with the pastor's sermonette to the little church. The pastor spoke to the children from the subject, "Carrying a light." The lesson was well received and appreciated by young and old.

The morning sermon followed the sermonette, and was preached from St. John 20th chapter and 25th verse. The theme from which a soul stirring sermon resulted, was "The print of the nails." Dr. Witherspoon was certainly at his best, as he developed the beautiful story of the tragic death of Christ. He dwelt upon the theme, "He who lived upon the theme, 'The word to day, is looking for nail prints in the hands of professed Christians. He also stressed the fact, that the world is demanding proof for what Christians claim to be."

The Sunday school and League functioned at their respective hours, and the evening sermon was preached by Rev. Chas. A. Higby (White) of Illinois. The text selected was taken from St. John 3rd chapter, and 7th verse. The theme was, "Spiritual Religion." The congregation listened with rapt attention, as the speaker unfolded the scripture. We noted with pleasure, the presence of many visitors during the day. Among them, were the following: Mrs. C. A. Higby, Miss Edith Capner, Miss Alberta Hunter, Miss Leila Davis, Miss Mattie Garrett, Mrs. F. B. Miller, Miss Josephine Stewart, Mrs. Goodwin, Miss Ida Gaillard, Miss Alma Manigault, Mr. Thomas, Miss Julia Simmons, all were introduced, and made to feel at home.

Our spring rally takes place on the 30th inst. and we are looking forward to success in this effort. Dr. Witherspoon is already looking forward to the securing of a Easter Day collection. Callenders have been distributed to a number of good workers, and they are expected to make good reports on the same. The idea is unique, and makes its own appeal. Our spring revival will soon be on the way, and will continue up to Easter. We are pained to announce the unfortunate accident which occurred to Bro. Jno. German, leader of class No. 28. He is at the Roper Hospital, suffering with a broken leg, sustained at his work. The church prays for his early and complete recovery. Many of our members who have been on the sick list are recovering, and we are pleased to see them at our church services again. Morris Brown looks hopefully forward.

THE MOTTO OF THE ABBEVILLE DISTRICT

She Flies With Her Own Wings

As our District Conference is in April we must be on the job early to make reports. I am asking every man to make a round report in April. I see that Bishop Flipper is asking the Presiding Elders of Florida to make their Educational reports the same time that Bishop Williams is asking. This is done every four years.

Our people are very loyal after all, and believe in good leadership. When I think of some of our great heroes, who once were Presiding Elders, but now they are gone to the great beyond, and yet they are not all gone, some still live today as heroes among us. We think of Drs. Wall, Flegler, Sampson, Chavess, Johnson, Young Archy, Lykes, Beckett, Chappelle, Thomas Denny, Henderson, Nelson, Alexander, Nichols, Miles and others. These have made good, but I am sure they were appointed Presiding Elders between the ages of 40-50. Then why want men to wait now, to get 80 to be Presiding Elders? If my memory serves me right, Bishop Williams was not appointed one man P. E. under 40. And they too have made good.

These Presiding Elders may have been early plucked school boys, but have pastored from 1 to 20 years successfully. They have not tried to kill the hen that lays the Golden egg. Every thing might not have gone as they wanted it, but we realize that the Church is bigger than we are. No one can fully know what a P. E. has to do if he has never been one, this comes by contact. I mean by a preacher and never been a Steward in the church. I cannot do my duty as one who has been a Steward against conditions some of us did not have when we were Stewards. So the Laymen cannot know the work of a minister because he is not one and has not had the experience.

I read the other day, an article with this expression A certain man once was a P. E. and he is now shrouded aside, and that man has never failed in bringing any reports. But that same man failed almost \$200 last year. It will not hurt any one to tell the truth. Yours for service and cooperation, J. C. Quarles

CARD OF THANKS

We wish to express our sincere appreciation for every act of kindness and expression of sympathy to us during the recent death of our mother, Mrs. D. J. Hearst, Mrs. Emma Griffin.

A PLEA FOR BETTER SUPPORT FOR PASTORS OF ORANGEBURG DIST.

By Rev. W. J. Robinson, P. E.

In holding quarterly conferences I find it alarming to see what small amount of salary and what short some of the pastors are receiving. We do not need any more law bearing on this point, but we need the present laws put into practice by the Stewards and Class Leaders of the church.

Officers and members, you must remember the pastor is the hub that turns the whole financial and spiritual machinery of our great church—his salary should not be left as a secondary matter, but should be considered equally with all other claims of the church.

When the pastor is not paid, it is quite a handicap to him in the community. He cannot pay his bills and is soon listed as a "dead beat," thus his usefulness for good is lessened and his membership is largely responsible for it.

I am urging all the officers and members of the Orangeburg District in particular and those of the Central Conference in general to see to it that more interest be manifested in collecting and paying to our pastors more support and salary.

If you will pay the pastor properly for service, he will see to it that all other financial claims of the church be paid at the proper time.

Quarterly Conferences

On the second Sunday I was with Rev. B. C. Scott and his good people at Friendship A. M. E. Church. A very large crowd attended services and four persons joined the church. Rev. Scott has his church well organized and all members are willingly at work.

The members love him and say they want him six years more. He paid his full assessment and with the help of his officers and members gave us the best reception we have had for quite a while. Brother Solomon Stokes, the hero of the Steward Board and all the church department heads, made timely remarks. May God ever bless this real pastor and people.

On the third Sunday and Sunday I was with Dr. J. C. McClellan and his good people at St. Peter's Station. Rev. McClellan has made it possible to hold his quarter on Saturday. He had quite a large group out, both Saturday and Sunday and his quarter was among the best. The officers and members are highly pleased with the service he is rendering. His church is well organized.

Sunday I stopped in Orangeburg to see Dr. J. W. Washington in spiritual action at Williams Chapel. He preached a good sermon. It was his Junior Church Day, and it was inspiring indeed to see his Junior Officers. Dr. Washington has an objective and is moving forward towards the goal. He, with the officers assure us a hundred per cent success in his quarterly conference next Monday night.

Notice to Pastors By request of the entertaining pastor and officers of our District Conference, the date of meeting has been changed to April 23, 24. Please be on time with delegates and local preachers.

Read the Palmetto Leader and read news worth reading.
