BEAUFORT CO TRAINING SCHOOL NEWS.

Shanklin Girls Beat Yemassee and Allendale

The past week was one of the most thrilling weeks in the history of the school. Monday our girls team entertained Yemassee's team here on the campus in a game that was exciting and full of pep from beginning to end. The visiting team played well with most of the game played in our territory. Sarah Riley, Ziller Griffin and Ethel Murray were scorers for the team. Much credit was also given to Cleo Shiselm, Louise Brown and Alma Gilbert. The game ended 22-0 for Shanklin.

A large representative body of students and faculty motored to Allendale Wednesday to play Allendale Co. T. School. The game began at 4 o'clock and was exciting throughout. Again most of the game was played in our territory, which proves that the latter team holds so many changes. We were made during the game that I felt if they had not scored in the first half, the boys team would have gone in while it only took six Shanklin girls to play. But the game ended 8-11 in favor of Allendale. To quench the thirst of fan lovers Allendale returned the game Friday, but to their regret lost by a score of 7-2. And now the coaches have decided to meet on half-way ground. Like the saying: "First in war and first in peace" so it was with the Shanklin team, first to score and last. After each game here delightful lunches were served all guests traveling with the team.

Coches Otto Allen and J. S. Shanklin, Jr., along with teachers and the boys and girls teams witnessed a game between Avery and Penn School in Penn Gymnasium. Sunday Principal J. S. Shanklin, Mr. J. S. Shanklin, Jr., Misses Madge Perry and Victory Frazier and three students motored to Hardeeville to extend sympathy to the family of Calvin Primus, a student here, in behalf of the school, in the death of his father, Mr. Primus.

FRIENDSHIP SCHOOL NEWS

Aiken County—The advanced classes of Friendship School organized a Better Speech club for the purpose of improving the speech habits of its members. This club meets each Friday. Each member is a committee of one to record the mistakes heard during the week and in turn pass this record to the secretary. On Friday the meeting is opened and the secretary reads the mistakes and each guilty member is tried and punished with such punishment as naming the spring months, spelling the days of the week, etc. Any thing that pertains to English. The club is now raising money to subscribe to The Palmetto Leader as a result of which the first subscription was sent for this week. Each week this club will send an article to The Palmetto Leader, telling of its school and accomplishments. The officers of the club are: Lillie B. Washington, president; Glays Williams, secretary; Carrie Lee Taylor, treasurer.

GROUP 5—MARLBORO COUNTY TEACHERS MEET

SHADY GROVE SCHOOL

Winsboro.—The Shady Grove school is greatly improving under the efficient teaching, Misses Eula Reese and Lucille Kennedy of Columbia. The school now has a campaign to raise money to improve certain conditions about the school.

The Nazareth school in the same district is likewise climbing up the ladder of success under its two efficient teachers Miss Annie Wynn and Mrs. Shirley Goums. Of much interest to those round and about the party Friday night was quite a success. The auditorium of the school was packed to its capacity and in spite of the great crowd everyone expressed themselves as having enjoyed a very pleasant evening.

Among the many guests other than the folks connected were Misses Eula Reese and Lucille Kennedy of the Shady Grove school, Messrs. Thomas and Alex. Harper and Dave Cook of Jenkinsville.

The Nazareth school has several campaigns planned for the ensuing year and first among the campaigns is the basketball team. With not quite a week of practice, the team seems to be doing nicely. Only three weeks before games this year, but by the next year we hope to have a well-rounded team.

LAKE VIEW SCHOOL

The basket ball teams are now being trained daily. They are expecting a game on the 24th. As a whole our school is coming on nicely under the leadership of Prof. Rufus Page and faculty. Mrs. E. E. Pace, Miss Olive Mae Jacques and Miss Uretha Gibson. The school had a bingo party Friday night, January 14, which was quite a success. Everyone seemed to enjoy it.
