"CHARLIE" SPEARS 'EM UP THE ROVING REPORTER

South America Air Mail Dear Cholly: Finally your letter has reached me and to say thanks is only expressing mildly how happy I was to hear from you, as I have been away from the states since November 10th at which time I began my tour in Mexico City and remained there for two months.

"mad" sometime, and we feel like running off and leaving him at home by his self. We would go and spend awhile with cousin John but shucks his house is too close to Germany's fighting planes, and a boy can't sleep at night. Why even cousin Neville is almost a nervous wreck battin' all around with his old umbrella and it ain't even raining but as I was saying, we shall be very glad to receive and thank you very kindly for any news sent, and will be more than elated to send you weekly copies of the papers in which the column is published. And it won't cost you a centavo.

I Am Very Happy With These People and there is a great opportunity for our people in this part of the world. My wife is not here now but will join me in Buenos Aires in another month. I shall be pleased to send you all the news and information I can from South America. Please send me some colored papers. Any trouble you go to I am willing to pay you and again I thank you.

New York City Mail Well Old Times: I have just returned from my first visit to the New York's World's Fair. The Fair is still in an uncompleted state but I enjoyed my short sojourn. I have one criticism to make, the high prices charged for food are extremely excessive. A 10 cents glass of beer costs 25 cents. A 5 cents hot dog sells for 30 cents. 85 cents is charged for a ten cents ham sandwich and one dollar for a 25 cents chicken sandwich. These high prices are sure to react unfavorably when the facts are known over the country if something is not done about it P.D.Q. Your Special Investigator Mobile Buck New York City.

Greetings to your wife, Marion Anderson, Etta Moton, and all whom you meet that I know. Shall expect an answer soon, asking you to kindly give my love to Broadway, I am Very sincerely yours, Edward Matthews A cargo Reid & Landoff Ahumada 236 Santiago de Chile

In Our Scrapbook is a picture of a great monument to the sea gull—it was snapped while in Salt Lake City on March 7, 1938. Once in the long ago the limited crops of the Mormons, in the barren Salt Lake Valley, were about to be destroyed by millions of grasshoppers. These devout people, facing starvation got down on their knees and prayed to ALMIGHTY GOD. . . day and night. Soon a great army of sea gulls, came out of the sky like a black cloud . . . swarmed down on the farm lands and destroyed the grasshoppers. . . YEA. . . NO SEA GULLS HAS BEEN OBSERVED THAT FAR INLAND BEFORE. . . NOR SINCE.

Our patrons and friends in attendance at the "Teachers-Patrons Banquet" (annual reception tendered patrons by the faculty) on Thursday night were pleasantly surprised to receive the knowledge that a request had been made by the school system officials to name our school. It had been previously referred to as Brookland School but had never been named. In view of the fact that we are overlooking Horse Shoe Lake, the name "Lakeview" was chosen. The principal also informed his listeners that the board had endorsed the plan of erecting a two-story building on the grounds for Home Economics and Shop

Wilberforce Recipient of \$50,000 Will of Wm. B. Dandridge

Wilberforce, Ohio, May 8 - Dr. D. Ormonde Walker, President of Wilberforce University, announced in chapel exercises today that word had been received from Washington, D. C. that the University was a beneficiary in the will of the late Wm. H. Dandridge who died in 1934.

According to the communication the late Wm. H. Dandridge left a Will which provided that a trust fund be set up, the interest from the trust fund to be paid, during life, to Wm. B. Dandridge and afterwards to his legal issue. If there was no legal issue at the time of the death of Wm. B. Dandridge, the trust fund was to belong to Wilberforce University. On May 2, 1939 Wm. B. Dandridge died without heirs and Wilberforce University became the beneficiary under the provisions of the Will. The fund is composed of real and personal property at an estimated value of nearly Fifty Thousand Dollars (\$50,000).

It is interesting to note that Dr. Walker outlined his inaugural address two years ago two main objectives of his administration: first, the accreditation of Wilberforce University and second, the establishment of a suitable endowment fund for the institution. The first objective was reached last March when Wilberforce was accredited by the North Central Association of Colleges and Secondary Schools and Colleges. The Dandridge bequest is a big step toward the second objective.

In grateful appreciation for this recent gift, the chapel exercises closed with the singing by the student body of "Praise God from Whom All Blessings Flow."

Miss Blanche Wallace, Lancaster, S. C. and Little Miss Doretha Dawkins, Shelton, S. C. have returned home after having spent the commencement season as the house guests of Principal and Mrs. Shaw.

Wednesday, May 10, marked the closing of another chapter in the history of our school. We bid our friends adieu but promise to acquaint them at intervals with the progress of our building project during the summer months.

Amid the pouring rain the people of our town thrust great honor upon mothers. All churches and homes had for their byword "mother". Messrs Moses and Joseph Bellton were seen in our town last Saturday. Both are working in N. C. and were on their way to spend the week-end with their mother near Columbia. On the 12th inst. the 5th and 6th grades staged a play "The Inn of the Golden Cheese" in our auditorium. The full house enjoyed a grand evening. Misses N. M. Gordon, Mazzie Bogan and Gertrude Wilson deserve much praise for the great work done with the children. Friday evening 12th, the auditorium was too small to hold the audience. The little tots pulled off in big numbers "The Land of Dolls". The house was held spell bound for three quarters of an hour. Both white and colored people gave great praise to Mrs. Ross, Bennett and Miss Annys Counts. Among our visitors were Mr. and Mrs. William Moore from New Jersey; Misses Tobias and Cleo Manigault of Kingstree and Columbia. Rev. J. M. Beatty should have had a crowded house last Sunday morning as he preached on the subject Mother. In his discourse, he spoke of the many children who are practically thrown away by their mother. "No mother," he said, "should have charge of children, unless her heart has been changed by God's love. The greatest need of the world today is a better class of mothers with divine oversight of their children."

MORRIS BROWN A. M. E. CHURCH Rev. R. I. Lemon, Pastor

The ban on the Infantile Paralysis situation in Charleston still is in force. In spite of this fact however, our congregations last Sunday were all that could be desired. The junior church was well attended by the elder children. Dr. Lemon brought a message at 11 a.m. from the 13th chapter of Romans and 7th verse. The subject selected was "Our Debt to Motherhood". The sermon was replete with thoughts of mother, and the duty we owe to her. At the same time, and under the same caption, the pastor stressed the great responsibility of a mother. At this service, 7 persons were taken into the church, and publicly confessed saving faith in the Lord Jesus Christ. This constituted a beautiful and impressive picture, hovering around the theme of the sermon. At 8 p.m. Dr. Lemon again preached from St. John 11:11, using as a subject: "Jesus, the Good Shepherd". Our senior choir rendered usual effective service during the entire day. Dr. Lemon, with the senior choir and members of Morris Brown, conducted the services at Ebenezer A. M. E. church at 5 p.m.

Bro. Rufus Jones, the leader of class No. 31 continues sick at his residence. We miss this faithful leader from our service and sincerely hope that he will soon be able to resume his duties in the church. Sister Anna Izzard who suffered a broken arm several weeks ago, is doing nicely. She is still confined at her home. Bro. Wins Johnson was seen at church last Sunday morning, and his many friends hope that he will continue to steadily improve. Mr. and Mrs. J. A. Brown on last Sunday were receiving the congratulations of their friends on the occasion of their Golden Wedding anniversary.

Our spring drive closes on Tuesday night of next week, at which time, the Democrats and Republicans will contest for the majority. It is hard to predict at this time, which will be the winner. Our objective is to liquidate the indebtedness of Morris Brown. The classes and clubs of our church are working arduously to that end, and the spirit of rivalry is keen. Mrs. Edna Bennett of 17 Cleveland street, is recovering from the effects of a fall sustained a few days ago. Morris Brown still maintains her Forward Look.

EBENEZER BAPTIST CHURCH Rev. J. S. Maddox, Pastor Seneca, S. C.—Although the weather was quite inclement Sunday school opened at the usual hour with Supt. H. E. Thomas, a number of teachers and scholars at their post of duty. The lesson was beautifully discussed in each department. After which the classes re-assembled and we listened to reports and announcements.

At 11 o'clock the pastor ascended the rostrum and after a few renditions by the senior choir he took for a text Luke 8:2-3. He spoke from the subject "Christianity and Mothers". He stressed very vividly the significance of mothers in every phase of life. He also emphasized the fact "That mothers give to the world a flame that enrich lives and mold characters". This was a very practical and helpful sermon which was enjoyed by all who heard him. Collection for the day was \$19.16. The Mothers' Day program was quite a success and was presented to a large appreciative audience.

The B.T.U. met at the usual hour all groups made interesting reports. The out-of-town visitors for the day were Mrs. M. J. Goodson of Atlanta, Ga., who was visiting her mother, Mrs. Ida Long. Miss Howell who is teaching in the Anderson County Training school, Pendleton. She was the guest of Miss E. R. Clinkscale who is teaching in the same school. Mr. Charles Watson, a student of Morehouse college, Atlanta, Ga., and Mr. and Mrs. McLaurin and daughter of Reidville, N. C. They were the guests of Mrs. McLaurin's parents, Mr. and Mrs. C. F. Harrison of Oak street.

We were happy to acknowledge the presence of Miss Ozella Holland who has been away teaching in the lower part of the state. Miss Inez Washington is away visiting her sisters Mrs. J. H. Chapman, Greenville and Mrs. J. C. Honor, Chester, S. C.

OAK GROVE CIRCUIT

Regardless of the unfavorable weather the service at Oak Grove was splendid Sunday. The ones that didn't have cars came anyhow. The Sunday school lesson was well discussed. The morning session was instructive as well as spiritual. The pastor's argument was concerning the vine, I am the vine and ye are the branches. After which the Lord's Supper was administered. The collection was fair.

The pastor and the delegates reported a fine district conference. Also others. Those attending the district conference beside the pastor were Janie Rose, H. Rose, Mrs. L. Rose, H. Burgess, T. L. Baker and Mrs. Nancy Smith. Mr. and Mrs. Wilson were lucky to have born to them on May 4, 1939 two baby boys. Mr. and Mrs. S. P. Sanders were also lucky, the visited them on May 7th and left a fine baby girl weighing 9 pounds. The Baker brothers were pleasant guests at the parsonage Sunday evening; also Mrs. Bessie Mc-
