Katherine Dunham "Good As Ever" In Chicago Appearance

CHICAGO—(ANP) - Katherine Dunham and her internationally famous dance troupe, appearing in Chicago for the first time in six years, captivated a large opening night audience at Great Northern theatre last Sunday in a benefit performance for the United Negro College Fund.

The sensational three-hour extravaganza ran through Nov. 5. It featured interpretive numbers built around authentic dances of the Caribbean region, Mexico, Brazil and Africa.

Of the 17 numbers on the program, two were possibly as good as any ever done before in the brilliant Dunham revues seen here and abroad year after year.

One is "Shango" a West Indian ritual dance featuring violent drums and frenzied movements, with Ural Wilson in the starring role; the other is "Tango," danced by Miss Dunham and Vanoye Aikens.

The Brazilian Suite was perhaps the most beautifully costumed. It included "Batucada," in which Miss Dunham flirts across the stage as she is literally roped in by fishermen Aikens.

In an entirely different mood was the giddy "Veracruzana," which finds the colorful Miss Dunham lordling it over an assortment of males from the lazy reaches of a large white hammock.

There were flashes of brilliance in other numbers, too.

In the "Samba," Antonio Rodrigues and Lucille Ellis interpreted the dance with dignity and artistic approach. In "Choros," Lenwood Morris, showed the agility and grace which has brought him acclaim as one of the leading male interpretive artists.

Reviewing the opening night performance, dance critic Ann Barzel of the Chicago American said: "The physical production has a smartness born of artistic taste and imagination. There is a clever choice of materials, a knowing use of line, color and texture."

Critic Irving Sablosky, writing in the Chicago-Daily News, said the "best" of the extravaganza was the strong dancing of the men. He lauded Aiken, Morris and Wilson for their outstanding performances.

Sponsoring the successful opening benefit for the United Negro College Fund were Mrs. Walter Low and Mr. Paul Russell, both of Chicago.

Integration Foes Ordered To Leave Hoxie Schools Alone

HOXIE, Ark. (ANP)—A federal judge has ordered pro-segregation forces to halt their acts of "intimidation, coercion and boycott" which interfere with the lawful operation of Hoxie schools.

Judge Thomas C. Trimble made the ruling in district court at Little Rock after closing arguments in the two-day hearing on the suit brought by Hoxie school officials against integration foes.

An order issued by the judge said the "defendants have committed and continued to commit and threaten acts of intimidation, coercion and boycott which interfere with the lawful operation of the Hoxie schools."

"The court is trying to protect the community," Judge Trimble said as he granted a temporary injunction ordering them to stop.

A hearing on whether the temporary order should be made permanent will be held Dec. 8 at Jonesboro. Judge Albert L. Reeves, a retired federal judge from Missouri who recently was appointed to replace Judge Trimble in this term of court, will preside.

The Monday hearing began after Judge Trimble ruled that the complaints filed by the school officials stated a cause of action and that his court had jurisdiction to hear the case. Earlier, last month, attorneys for the defendants had taken the opposite view.

The judge also held that state laws calling for segregation of Negro students in public schools no longer were valid. He said attempts by the defendants to get school officials to bar against the law was set out in the Supreme Court's decision.

NEWS OF HONEA PATH, S. C. LIBERTY BAPTIST CHURCH Rev. D. B. Walker—Pastor

Sunday was a lovely day. The Sunday School workers were at their appointed places. Subject of the lesson: Jesus Friend of Mine. Luke 5:21-15; 27:32. Motto Text: They that are whole need not a physician but they that are sick, I came not to call the righteous but sinners to repentance." Luke 5: 31:33. The lesson was wonderfully discussed.

At 11 o'clock the Rev. Redd graded the pulpit in the absence of our pastor. He took as a subject: Sub-Fishing. His sermon was enjoyed by all present. The pastor was present for the afternoon service and was able to take over a BTU class. Mrs. M. Roberson is our faithful leader and is always on the job.

The Deaconess are planning a program on the 4th Sunday night, Nov. 27. It will be presented a Young People's Night, for the benefit of the New Church Fund, which is being erected and will be called New Liberty Baptist Church. The pastor and members are working wonderfully together.

There is no report of sickness in the community. However, Mrs. Francis Robertson was called to Detroit, Mich., on account of the sickness of her daughter, Isabell Bobo who was hospitalized. We are hoping that Mrs. Robertson will find her daughter improving.

UNIONVILLE AME CHURCH Rev. W. M. Grant—Pastor

Give unto the Lord the best you have, and the best will come back to you.

Sunday was a beautiful day at Unionville. The Sunday School began at 10:20 with the Supt. and his co-workers at their post of duty. The lesson was beautifully taught and discussed by our pastor.

Sunday morning worship began at 11:45 with the Senior and Gospel Choir singing, Holy Holy.

After the order of service, the love feast was taken.

The scripture was found in the book of St. Matthew 26:49 verse. The Gospel choir gave a lively selection, after which our pastor mounted the rostrum to bring forth the message. His text was taken from the book of St. Matt. 7th chapter and 6th verse. Sub. The Lamb of the Cross. He brought to us a soul stirring sermon. Didn't our heart burn while the man of God spoke to us.

The Lord Supper was administered to a great number.

Official board meeting was held Monday night to re-elect officers for the coming year. Pray for Unionville that they may grow stronger in the Lord. Total collection, \$48.45. R. Brunson, Rpt.

How Does Your Garden Grow?

PLANNING AND PATIENCE really pay off in planting. Ask any successful gardener. He knows that careful preparation is the secret of gardening success. Take Nursery Care, for example. Simply follow the easy-to-understand directions from The Gardening Council and you'll find the results bloom for themselves.

A word of advice: Prune the plant unless the instructions tag tells you that the plant has been pruned for planting before shipment; and remember to stake all trees, to prevent the soil loosening at the base and around the roots.

The Gardening Council was recently formed as a service to homeowners by Empire Nursery Products Co., Inc., Knight & Bostwick, William C. Moore & Co., Quaker Hill, Inc., and C. W. Stuart & Co.

ARKANSAS PARENTS SUE FOR INTEGRATION

FORT SMITH, Ark.—(ANP)—Parents of 19 Negro children have filed suit in Federal District Court here seeking to force racial integration of public schools at nearby Van Buren.

The suit is the first of its kind filed in Arkansas since the Supreme Court's ruling against public school Jim Crow. It charged the Van Buren school board and Supt. Everett Kelley with denying admittance of the children to the all-white school, and asked for a temporary injunction, to be made permanent later, to keep the school officials "from denying the plaintiffs and the class they represent their rights, privileges and immunities" under the U. S. Constitution and laws.

Attorneys who signed the petition were Thurgood Marshall, chief counsel for the NAACP, U. Simpson Tate, regional counsel from Dallas; D. L. Grace of Fort Smith and Robert L. Carter.
